## PUBLIC HEARING PROCEDURE

Each of the items listed will be heard as shown on the agenda unless the Planning Commission chooses to change the order. As each item is called, the hearing will proceed as follows:

- A Planning Division staff member will make a presentation on each case and answer Planning Commission questions, as needed.
- The applicant will be asked to present, if desired, or answer questions. Applicant presentations should be no longer than ten minutes.
- The Chair then calls on anyone desiring to speak on the item. Speakers are requested to state their names for the public record and to keep their testimony to no more than three minutes each, with minimum repetition of points made by previous speakers and by being as brief as possible in making their testimony.
- Following public testimony, the applicant will be given the opportunity to respond to issues raised by the public. The response should be limited to five minutes.

The public hearing will then be closed. The Planning Commissioners then discuss among themselves the application under consideration and act on the item. Planning Commission actions may be appealed to the City Council. Appeals must be filed with the City Clerk's Office within 15 days of the Planning Commission's action.

The Planning Commission Chair may enforce other rules as may further the fair and efficient running of the meeting, such as reducing the amount of testimony time allotted to the applicant and all those who wish to speak when the meeting agenda is lengthy or when there are numerous speakers for any specific item. The audience is requested to respect and extend courtesies to all those wishing to testify on all cases by being quiet while others are speaking.
