

PLANNING COMMISSION REGULAR MEETING AGENDA

Wednesday, May 8, 2024
7 p.m.

City Council Chamber
200 Old Bernal Avenue
Pleasanton, CA 94566

The meeting will be held at the City Council Chambers at 200 Old Bernal Ave and will be broadcast live at <https://www.youtube.com/user/TheCityofPleasanton>.

Public participation: It is requested that members of the public wishing to address the Planning Commission submit a speaker card. When public comment is opened on an agenda item, individuals may speak once per agenda item.

In Person at the City Council Chambers:

- Submit a physical speaker card to the Recording Secretary at the meeting. When your name is called, please provide comment at the podium.

PUBLIC HEARING PROCEDURE

Each of the items listed will be heard as shown on the agenda unless the Planning Commission chooses to change the order. As each item is called, the hearing will proceed as follows:

- A Planning Division staff member will make a presentation on each case and answer Planning Commission questions, as needed.
- The applicant will be asked to present, if desired, or answer questions. Applicant presentations should be no longer than ten minutes.
- The Chair then calls on anyone desiring to speak on the item. Speakers are requested to state their names for the public record and to keep their testimony to no more than three minutes each, with minimum repetition of points made by previous speakers and by being as brief as possible in making their testimony.
- Following public testimony, the applicant will be given the opportunity to respond to issues raised by the public. The response should be limited to five minutes.

The public hearing will then be closed. The Planning Commissioners then discuss among themselves the application under consideration and act on the item. Planning Commission actions may be appealed to the City Council. Appeals must be filed with the City Clerk's Office within 15 days of the Planning Commission's action.

The Planning Commission Chair may enforce other rules as may further the fair and efficient running of the meeting, such as reducing the amount of testimony time allotted to the applicant and all those who wish to speak when the meeting agenda is lengthy or when there are numerous speakers for any specific item. The audience is requested to respect and extend courtesy to all those wishing to testify on all cases by being quiet while others are speaking.

- D. Location and Notification Maps

STAFF RECOMMENDATION

Staff recommends the Planning Commission adopt a resolution recommending: (1) the City Council find the proposed Sixth Amendment to the Stoneridge Shopping Center Development Agreement is exempt from further review under the California Environmental Policy Act (CEQA) pursuant to Public Resources Code §21083.3 and CEQA Guidelines §15183; and (2) the City Council approve the proposed Sixth Amendment as set forth in Exhibit A.

EXECUTIVE SUMMARY

The applicant, Stoneridge Properties, LLC (Simon Property Group), proposes to amend and extend the existing Development Agreement (DA) for the Stoneridge Shopping Center by six months until December 31, 2024, with two options to further extend the term of the DA. The initial option provides the City Manager with the discretion to extend the term up to 24 months, or December 31, 2026, and is subject to performance to specific milestones intended to advance initial phases of Master Planning for Stoneridge Mall, including securing funding of up to a total of \$200,000 that would include funding from the applicant and/or the other property owners to support this effort. The second option becomes available on December 31, 2026, and provides the City Manager or City Council with the discretion to extend the DA for an additional two years, or December 31, 2028, based on further progress towards Master Planning.

The applicant's proposal would not allow for additional development beyond the approximately 362,790-square-foot shopping center expansion already approved in the existing DA.

BACKGROUND

The Stoneridge Shopping Center was constructed in the early 1980's by the Taubman Company. As part of the City's approval of the regional shopping center, the Taubman Company participated in funding portions of the I-680/Stoneridge Drive freeway interchange, construction of improvements to the nearby streets and intersections that accessed the shopping center from the I-580 and I-680 freeways, and construction of Fire Station No. 2 (6300 Stoneridge Mall Road).

Development Agreement

Development agreements (DAs) are public/private contracts specifically authorized by state law with the purpose of providing property owners more certainty about the entitlements and exactions that will apply to their property. In exchange, the local government often receives a legally binding promise that the property owner will provide infrastructure and/or pay fees required by a new project. The property owner receives a legally binding promise it can build a project. The DA sets forth the rights and responsibilities between the City and the property owner/developer. DAs are primarily utilized on large, master-planned developments constructed in a phased manner over a relatively long period of time and often require significant investments in public infrastructure on the part of the private developer. DAs encourage private investment, including the provision of public facilities that would not normally be required under a typical development plan review.

In November 1992, the City Council approved the original DA (Exhibit B) for the Stoneridge Shopping Center, which granted rights to expand the shopping center by approximately 178,000 square feet in exchange for developer contributions to various traffic improvements and approved a related Sewer Agreement that reserved and allocated sewer capacity for the uses within the shopping center.

On January 6, 1998, the City Council approved the First Amendment to the DA, further increasing the Stoneridge Shopping Center by an additional approximately 202,000 square feet, thereby totaling approximately 380,000 square feet of expansion area, and modified the traffic improvements. An amendment to the Sewer Agreement was also approved at that time which reserved 10,000 gallons of sewer capacity for the shopping center.

In summary, the original DA, as amended, and related Sewer Agreement, granted the following entitlements and restrictions to the owners of the shopping center and their successors:

- Permitted the expansion of the shopping center floor area by a total of approximately 380,000 square feet (the additional to-be-developed area has been reduced to approximately 362,790 square feet of floor area due to the past construction of the P.F. Chang's and Cheesecake Factory restaurants). Also, Design Review approval was granted in 2019 for the Stoneridge Mall Commercial Replacement and Expansion Project by Planning Commission Resolution PC-2019-10 for net new construction of approximately 79,269 square feet, but none of that square footage has been constructed. Accordingly, the total approved expansion remains at approximately 362,790 square feet.
- Reserved 10,000 gallons per day of sewer capacity for the entire shopping center (this capacity has been used completely by the present shopping center retail businesses and restaurants).
- Referenced the permitted and conditional uses of the Regional Commercial – Mall Complex (CR(m)) District of the Pleasanton Municipal Code (PMC) for the shopping center with the applicable City approvals.
- Established parking ratios between 3.5 and 4.5 parking spaces per 1,000 square feet of floor area for different categories of shopping center uses (these vested parking ratios exceed the City's current typical retail parking standard of 3.33 parking spaces per 1,000 square feet).
- Required the shopping center to participate in mitigation measures identified by the City to offset the anticipated traffic impacts of the I-680/West Las Positas Road freeway interchange (which was subsequently determined by the City not to be built).
- Defined the maximum height for all new shopping center buildings as that of the highest building existing at the time of the First Amendment, which is approximately 68 feet.
- Permitted parking decks up to a maximum height of three levels above grade.
- Identified traffic improvements to nearby intersections that could be required by the City's Traffic Engineer to mitigate the impact of the additional floor area on traffic operations.

The DA was subsequently amended: in 2013 to extend the term for five years until 2017; in 2018 to extend the term for five additional years until 2022; in 2021 to extend the term for one year until December 2023, and most recently in December 2023 for six months to June 30, 2024.¹ In approving the six-month extension, the City Council emphasized their desire to see planning to support the long-term vitality of the overall Mall properties proceed, and for the applicant, City, and other property owners to work together in the six-month period to advance that goal.

¹ This Fifth Amendment made development subject to current City development impact fees and other fees, offset by prior payments for traffic improvements. In addition, the City and applicant included terms that specify the Objective Design Standards (ODS) adopted in January 2023, and that requirements of the future Framework would also apply to any residential or mixed-use development on the site. The amendment also included a section about transfer or assignment requiring City approval.

SITE AND AREA DESCRIPTION

The Stoneridge Shopping Center is located on an oval-shaped property defined entirely by Stoneridge Mall Road. Figure 1, below, shows the Stoneridge Shopping Center and portions of the I-580 and I-680 freeways and Foothill Road.

The properties surrounding the mall are located between Stoneridge Mall Road and the I-580 I-680 freeways, Stoneridge Drive, and Foothill Road and are developed with a variety of office, hotel, medical, restaurant, retail, and residential uses, including the recently constructed buildings within the 10x Genomics and Workday campuses. The recently approved 360-unit Stoneridge Mall Apartment project will be located on a site in the southeast quadrant of the mall.

PROJECT DESCRIPTION AND ANALYSIS

The applicant requests the term of the DA be extended as follows:

- For an initial six months, until December 30, 2024, with payment of a \$50,000 contribution to the City in support of its efforts to advance Master Planning for the Mall. During this period, efforts would be made to secure matching funding from the other Mall owners to support the planning effort.
- If matching funding is secured from the other Mall owners in the amount of \$150,000, and other milestones are achieved, the DA would extend for another 18 months through June 30, 2026. The City may, at its option, reduce this amount by up to \$50,000.²
- If matching funding is not secured from the other Mall owners, then the applicant may opt to contribute the equivalent amount of additional funds (up to \$150,000), in which case the DA would be extended for another 24 months through December 31, 2026.
- At the discretion of the City Manager or the City Council, the DA may be extended for an additional two years from December 31, 2026, or December 31, 2028, if it is determined that adequate progress has been made towards the master planning effort.

Each of the above extensions is contingent on the completion of performance milestones intended to advance the Stoneridge Mall Framework and additional master planning for the mall.

The proposed Sixth Amendment and the existing agreements are attached as Exhibit A and Exhibit B, respectively. The proposed Sixth Amendment does not allow for any additional development beyond that identified in the existing agreement and continues to require all new commercial projects be subject to Planning Commission Design Review approval administered at a public hearing.³

² This provision is included to account for the event that not all of the owners decide to contribute, and still allow the extension to be provided.

³ Residential development permitted by the 4th, 5th and 6th Cycle Housing Elements is not part of the DA and is subject to the Objective Design Standards and process for approval set forth in other City regulations.

Figure 1: Stoneridge Shopping Center and Surrounding Land Uses

During portions of the time period covered by the last three extensions of the DA, the effects of the COVID-19 pandemic have continued to affect the overall retail and commercial development market, and although there has been some recovery, it is not yet complete. The applicant has indicated they need additional time to evaluate these changes in the retail climate, and how to best proceed with expansion of the shopping center to remain competitive and meet current market demands/trends that have evolved over the past several years and have most likely shifted again post-pandemic. Additionally, since the 2021 extension, the City adopted the Stoneridge Mall Framework components document and completed the 6th Cycle Housing Element update, with sites identified at Stoneridge Shopping Center among the housing inventory sites that will be rezoned to allow for additional residential uses on certain portions of the mall. Such sites are in addition to those properties within the Mall identified in the 4th and 5th Cycle Housing Elements, one of which is the location of the Stoneridge Mall Apartments project (approved in early 2023).

The Stoneridge Mall Framework, as adopted in January 2023, provides a conceptual land use and circulation plan and policy guidance for future development/redevelopment of the Shopping Center.

The proposed Sixth Amendment provides that the applicant shall contribute \$50,000 to allow for an initial six-month extension, and the applicant may agree to fund up to an additional \$150,000 towards the Stoneridge Mall Framework process – such funding which would be

necessary to secure a further two-year extension⁴ through December 31, 2026. The DA also provides for an additional two-year extension through December 31, 2028, at the discretion of the City Manager or City Council, upon demonstration of material progress towards the Master Plan.

In addition to the funding described above, the DA provides for milestones in the first six months such as developing a more detailed scope, schedule, and budget for subsequent phases; and initiating a collaborative process among owners to resolve issues of mutual concern, such as parking; and seeking qualified consultants as needed to support these efforts. If additional funding is received either from the applicant or the other Mall owners, the 18-month or two-year extension would provide additional time for the planning efforts initiated during the first six months to further advance. Thereafter, it would be at the discretion of the City Manager or City Council to grant an additional two-year extension based on material progress demonstrated by the applicant. See Exhibit A (Section X) for a complete list of terms of the DA terms, extension timeframes, and milestones.

For these reasons, staff supports the DA extension. Staff believes the additional timeframes permitted by the Sixth Amendment would allow the Stoneridge Mall Framework planning efforts to progress and also facilitate the applicant's participation in the process in order to secure the orderly development of the shopping center expansion, with greater opportunities to secure effective traffic management, cohesive, attractive site design, public and private improvements, and related economic benefits to the City.

The DA process requires the Planning Commission to determine if a DA is consistent with the General Plan and provide a recommendation to the City Council for action. Based on the information in the report, staff believes this Sixth Amendment is consistent with the General Plan and recommends the Planning Commission forward a recommendation for approval to the City Council.

PUBLIC NOTICE

Notices of this application were sent to surrounding property owners and tenants within a 1,000-foot radius of the site. A courtesy email notice was also sent to other owners of property at the mall. Staff has provided the location and noticing map as Exhibit D for reference. At the time this report was published, no public comment was received by staff.

ENVIRONMENTAL ASSESSMENT

On January 4, 2012, the City Council certified a Supplemental Environmental Impact Report (SEIR) and adopted the CEQA Findings and a Statement of Overriding Considerations for the Housing Element and Climate Action Plan General Plan Amendment and Rezonings Supplemental EIR. This SEIR was a supplement to the EIR prepared for the Pleasanton 2005-2025 General Plan which was certified in July 2009. The development contemplated in the DA is consistent with the development density that was evaluated and mitigated as part of these certified CEQA documents which are available upon request as part of Exhibit C. In addition, the City adopted an Addendum dated April 19, 2019, in connection with the Stoneridge Mall Commercial Replacement and Expansion Project, File P18-0340, which concluded the project would not cause any unstudied impacts or impacts peculiar to the parcel. The proposed Sixth

⁴ The Development Agreement also includes a provision for the other Mall owners to each provide a similar funding amount, in which case the DA would extend for an additional 18 months after December 31, 2024.

Amendment does not result in any effects on the environment that are peculiar to the property or project that were not addressed in these prior CEQA documents, or which substantial new information shows will be more significant than described in these prior CEQA documents. Therefore, no additional environmental review is required pursuant to Public Resources Code section 21083.3 and CEQA Guidelines section 15183.

SUMMARY/CONCLUSION

This extension of the Development Agreement will enable Stoneridge Properties (Simon Property Group) to continue to explore commercial expansion of the Stoneridge Shopping Center, broadening the City's tax base and allowing the continued vitality of the shopping center. This amendment/extension would not alter or modify the obligations and responsibilities described in the original DA or subsequent amendments as they apply to the shopping center. With Simon Property Group contributing a minimum of \$50,000 towards the Stoneridge Mall Framework, and up to a maximum of \$200,000 (or alternatively, the other Mall owners contributing \$150,000) progress should accelerate towards the milestones in this amendment. Therefore, staff believes the shopping center will continue to evolve and remain competitive in both the current development environment, and staff supports the request for the amendment/extension to the DA and recommends the Planning Commission provide a recommendation for approval to the City Council.

RESOLUTION NO. PC-2024-09

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF PLEASANTON RECOMMENDING APPROVAL OF THE APPLICATION OF STONERIDGE PROPERTIES, LLC FOR A SIXTH AMENDMENT OF THE STONERIDGE SHOPPING CENTER DEVELOPMENT AGREEMENT, GOVERNING AN APPROXIMATELY 362,790 SQUARE-FOOT EXPANSION, TO CONTRIBUTE \$50,000 TOWARDS THE STONERIDGE MALL FRAMEWORK PLANNING, EXTEND THE TERM FOR SIX MONTHS, WITH POTENTIAL ADDITIONAL EXTENSIONS TO THE TERM, CONTINGENT UPON THE DEPOSIT OF ADDITIONAL FUNDS, AS FILED UNDER CASE NO. PXXX17-0904

WHEREAS, Stoneridge Properties, LLC (Developer) has applied for a Sixth Amendment to the Development Agreement for the properties at 1008 - 1700 Stoneridge Mall Road for a six (6) month extension of the term to December 31, 2024, contingent upon a contribution of \$50,000 by Developer towards the Stoneridge Mall Framework planning effort, plus potential additional extensions, contingent upon the deposit of additional funds and a determination by the City Manager or the City Council that Developer has made good faith material progress toward funding a master plan by December 30, 2026, regarding its approximately 362,790 square-foot remaining permitted expansion to the Stoneridge Shopping Center, as filed under Case PXXX17-0904; and

WHEREAS, a Supplemental Environmental Impact Report (SEIR) was prepared and certified on January 4, 2012, for the Housing Element update and Climate Action Plan General Plan Amendments and Rezonings that supplemented the Environmental Impact Report (EIR) prepared for the Pleasanton 2005-2025 General Plan, certified in July 2009. This SEIR and the Addendum for the Stoneridge Mall Commercial Replacement and Expansion Project dated April 16, 2019, anticipated completion of the subject 362,790 square-foot expansion of the Stoneridge Shopping Center. In addition, the cumulative impacts of the development permitted under the Development Agreement and Sixth Amendment, plus all development proposed under the City of Pleasanton's 2023-2031 Housing Element, was studied in the Program Environmental Impact Report (SCH 2022040091) for that Housing Element certified by the City Council on January 26, 2023, by Resolution 23-1357. The California Environmental Quality Act (CEQA) specifies that individual development projects that are covered by a previously certified EIR or SEIR are exempt from additional environmental review. Therefore, there is no additional environmental document regarding this Development Agreement extension is required pursuant to Public Resources Code §21083.3 and CEQA Guidelines §15183; and

WHEREAS, on May 8, 2024, the Planning Commission held a duly noticed public hearing on this application and considered all public testimony, agenda report, and related materials.

NOW, THEREFORE BE IT RESOLVED by the Planning Commission of the City of Pleasanton, based on the entire record of proceedings, including the oral and written agenda reports and all public comment and testimony:

Section 1. Recommends that the City Council find that the Sixth Amendment to the Development Agreement, as described in Section 3, is consistent with the City's General Plan.

Section 2. Recommends that the City Council find that the approximately 362,790 square-foot expansion of the Stoneridge Shopping Center as set forth in the Development Agreement, as amended by the proposed Sixth Amendment, was covered by the mitigated negative declaration adopted in connection with the original Development Agreement, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012, and addressed in the Addendum for the Stoneridge Mall Commercial Replacement and Expansion Project dated April 16, 2019. In addition, the cumulative impacts of the development permitted under the Agreement and this Sixth Amendment, plus all development proposed under the City of Pleasanton's 2023-2031 Housing Element, was studied in the Program Environmental Impact Report (SCH 2022040091) for that Housing Element certified by the City Council on January 26, 2023, by Resolution No. 23-1357. This Sixth Amendment merely extends the term of the previously approved Agreement and is consistent with the General Plan, and there are no impacts peculiar to the parcel or unstudied impacts relevant to this Sixth Amendment.

Section 3. Recommends approval by the City Council of the application by Stoneridge Properties, LLC for a Sixth Amendment to the Development Agreement for its property at 1008 - 1700 Stoneridge Mall Road for a contribution of \$50,000 towards the Stoneridge Mall Framework planning, an initial six-month (6-month) extension of the term to December 31, 2024; an additional potential further extension by either 18 months, to June 30, 2026, if contributions of \$100,000 or \$150,000 are received from the Other Mall Owners, or two (2) years, to December 30, 2026 if a contribution of \$150,000 is received from Developer; and a further two-year extension to December 30, 2028 upon administrative determination by the City Manager, or by the City Council if so referred by the City Manager, of Developer's completion of stated milestones related to the Stoneridge Mall Framework, as generally described in the attached Exhibit A.

SIXTH AMENDMENT TO DEVELOPMENT AGREEMENT

THIS SIXTH AMENDMENT TO DEVELOPMENT AGREEMENT (the “Sixth Amendment”) is made and entered into by and between the CITY OF PLEASANTON, a municipal corporation of the State of California (“City”), and STONERIDGE PROPERTIES LLC, a Delaware limited liability company, doing business in California as STONERIDGE ASSOCIATES, LLC, as successor in interest to SECURITY TRUST COMPANY, as TRUSTEE under Trust No. 1860-0 (“Developer”), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS

A. The City and Developer are parties to a Development Agreement (the "Agreement") dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993, as Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by the First, Second, Third and Fourth Amendments.)

B. The parties entered into the First Amendment to Development Agreement (the "First Amendment"), dated as of January 6, 1998, as approved by the City Council by its Ordinance No. 1732. The First Amendment to Development Agreement was recorded on February 5, 1998, as Instrument No. 98048535 in the Official Records of Alameda County.

C. The parties entered into the Second Amendment to Development Agreement (the "Second Amendment"), dated as of June 18, 2013, as approved by the City Council by its Ordinance No. 2073. The Second Amendment to Development Agreement was recorded on September 5, 2013, as Instrument No. 2013299219 in the Official Records of Alameda County.

D. The parties entered into the Third Amendment to Development Agreement (the "Third Amendment"), dated as of August 21, 2018, as approved by the City Council by its Ordinance No. 2173. The Third Amendment to Development Agreement was recorded on September 19, 2018, as Instrument No. 2018182964 in the Official Records of Alameda County.

E. The parties entered into the Fourth Amendment to Development Agreement (the "Fourth Amendment"), dated as of September 6, 2022, as approved by the City Council by its Ordinance 2230. The Fourth Amendment was recorded on September 12, 2022, as Instrument No. 2022156727 in the Official Records of Alameda County.

F. The parties entered into the Fifth Amendment to Development Agreement (the "Fifth Amendment"), as approved by the City Council by its Ordinance 2249. The Fifth Amendment was recorded on March 4, 2024, as Instrument No. 2024031835 in the Official Records of Alameda County. It provides that the Agreement shall terminate July 1, 2024.

G. The City and Developer desire to extend the term of the Agreement. In order to strengthen the planning process, encourage private participation in comprehensive planning, secure the orderly development of the shopping center expansion and provide greater opportunities for traffic management and cohesive, attractive site design and improvements and related economic benefits to the City, and to facilitate the future development of a comprehensive master plan for the shopping

center, the City has determined that this Sixth Amendment is an appropriate supplement to the Agreement.

H. The Agreement originally permitted an expansion of 380,000 square feet, which was reduced to 362,790 square feet due to construction of P. F. Chang's and the Cheesecake Factory. The permitted remaining expansion was covered by the mitigated negative declaration adopted in connection with the original Development Agreement, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012, and addressed in the Addendum for the Stoneridge Mall Commercial Replacement and Expansion Project dated April 16, 2019. In addition, the cumulative impacts of the development permitted under the Agreement and this Sixth Amendment, plus all development proposed under the City of Pleasanton's 2023-2031 Housing Element, was studied in the Program Environmental Impact Report (SCH 2022040091) for that Housing Element certified by the City Council on January 26, 2023, by Resolution No. 23-1357. This Sixth Amendment merely extends the term of the previously approved Agreement and is consistent with the General Plan, and there are no impacts peculiar to the parcel or unstudied impacts relevant to this Sixth Amendment.

I. On May 8, 2024, after conducting a duly noticed public hearing, the City Planning Commission recommended the City Council approve this Sixth Amendment, based on the following findings and determinations: this Sixth Amendment is consistent with the objectives, policies, general land uses and programs specified in the vested General Plan; is compatible with the uses authorized in and the vested regulations prescribed for the land use districts (C- R (Regional Commercial and PUD-MU (Planned Unit Development – Mixed Use)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

J. Thereafter, on June 4, 2024, the City Council held a duly noticed public hearing on this Sixth Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council introduced the Ordinance. On June 18, 2024, the City Council approved this Sixth Amendment by adopting Ordinance _____.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree to amend the Agreement as follows:

1. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on January 1, 2025, unless the termination date is extended pursuant to Section 19.14 below.

2. Section 19.14 is added as follows.

19.14. Initial 6th Amendment Funding and Extension Upon Additional Funding.

(a) Within 10 business days of the date of recordation of this Agreement, Developer shall deposit the sum of \$50,000 with City to be used by City for its costs associated with developing and processing a Master Plan (as defined in subsection (i) below) for the Stoneridge Mall ("Initial City Master Plan Costs").

(b) Between July 1, 2024 and December 31, 2024, City and Developer agree to cooperate and coordinate towards making progress on the

master planning anticipated in the Stoneridge Mall Framework Components (as defined in subsection (i) below), including, but not limited to: (i) developing a scope of work, schedule and budget for the next phase of planning work, including commencing the process to select urban design/architectural professionals to develop design and placemaking elements of the Framework Components; (ii) initiating collaboration between Developer and Other Owners (as defined in subsection (i) below) regarding desired land uses, potential development scenarios for various properties, and addressing issues of shared concern, such as parking requirements and parking management, interface of new or expanded uses with the existing shopping center, and shared infrastructure; and (iii) seeking qualified consultants to begin development of development standards or other master planning documents for the Stoneridge Mall.

(c) If, prior to December 1, 2024, City receives additional deposits totaling \$150,000 from one or more of the Other Owners to supplement the Initial City Master Plan Costs ("Supplemental Master Plan Costs"), then the termination date of this Agreement shall be extended an additional 18 months to July 1, 2026, with this period to be used to further advance the efforts initiated during the initial six-month period. The City may, at its sole discretion, reduce this amount by up to \$50,000, provided that so doing would, in the City's determination, allow the planning to continue to proceed towards the development of the Master Plan.

(d) If City does not receive deposits for the Supplemental Master Plan Costs from the Other Owners by December 1, 2024, then Developer may elect thereafter to deposit with City, prior to December 31, 2024, the greater of (i) \$100,000 or (2) the unfunded Supplemental Master Plan Costs (not to exceed \$150,000), in which case this Agreement shall be extended an additional 24 months to December 31, 2026, with this period to be used to further advance the efforts initiated during the initial six-month period. By November 1, 2026, the City Manager shall determine, in writing with notice to the Developer, whether Developer has worked in good faith to make material progress towards the Master Plan, including funding and/or working with the Other Owners to develop a plan to fund, the Master Plan. If the City Manager makes an affirmative determination regarding Developer's actions or fails to make any findings with regard to Developer's actions, the Development Agreement shall be extended an additional two years to December 31, 2028.

(e) The City Manager may refer the duty to determine whether the Developer has made material progress toward the Master Plan to the City Council, provided the referral is made by November 1, 2026. Developer may appeal the City Manager's findings to the City Council within ten (10) days of the date of notice of such findings, by providing notice of such appeal to the City Clerk by overnight courier or personal delivery.

(f) Upon referral or appeal, the City Council's review of the matter shall be de novo and the City Council may consider evidence that was not presented to the City Manager. City shall use reasonable efforts to ensure that any findings to be made by the City Council are adopted by December 31, 2026. If such findings are not adopted by such date, the

term of this Agreement will be automatically extended until the date such findings are adopted.

(g) It is the intent of City and Developer to work with the Other Owners during any extension provided by subsections (c) and (d) above, to have Developer and/or the Other Owners provide additional funding towards Master Plan costs.

(h) If City does not receive deposits for the Supplemental Master Plan costs from either the Other Owners by December 1, 2024, or the Developer by December 31, 2024, this Agreement shall terminate on January 1, 2025. All funds provided by Developer to City for the Initial Master Plan Costs shall be retained by City.

(i) While this Agreement remains in effect, Developer agrees to make good faith efforts to work with City and the Other Owners to develop and process for approval a Master Plan for the Shopping Center that furthers the goals of the Stoneridge Mall Framework Components approved by the City Council in Resolution No. 23-1356, adopted on January 26, 2023, as those Components may be amended by the City with the reasonable consent of Developer ("Master Plan"). While Developer cannot control the actions of other owners of property at the entire Shopping Center as depicted in the First Amendment Section 1.b. and Exhibit A thereto ("Other Owners"), Developer's good faith efforts shall include working with and attempting to persuade Other Owners to participate in developing and processing the Master Plan.

3. Except as expressly modified by this Sixth Amendment, City and Developer hereby ratify and confirm the terms and conditions of the Agreement which are fully incorporated herein by reference and shall continue in full force and effect.

4. This Sixth Amendment shall be effective as of the date the Agreement otherwise would have terminated and shall remain in effect until terminated. This Sixth Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This Sixth Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Sixth Amendment on the date affixed by their signature.

FOURTH AMENDMENT TO DEVELOPMENT AGREEMENT

THIS FOURTH AMENDMENT TO DEVELOPMENT AGREEMENT (the "Amendment") is made and entered into as of September 6, 2022, by and between the CITY OF PLEASANTON, a municipal corporation of the State of California ("City"), and STONERIDGE PROPERTIES LLC, a Delaware limited liability company, doing business in California as STONERIDGE ASSOCIATES, LLC, successor in interest to SECURITY TRUST COMPANY, as TRUSTEE under TRUST NO. 1860-0 ("Developer"), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS:

A. The City and Developer are parties to a Development Agreement (the "Agreement") dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993 as Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by this Amendment.)

B. The parties entered into the First Amendment to Development Agreement (the "First Amendment"), dated as of January 6, 1998, as approved by the City Council by its Ordinance No. 1732. The First Amendment to Development Agreement was recorded on February 5, 1998 as Instrument No. 98048535 in the Official Records of Alameda County.

C. The parties entered into the Second Amendment to Development Agreement (the "Second Amendment"), dated as of June 18, 2013, as approved by the City Council by its Ordinance No. 2073. The Second Amendment to Development Agreement was recorded on September 5, 2013 as Instrument No. 2013299219 in the Official Records of Alameda County.

D. The parties entered into the Third Amendment to Development Agreement (the "Third Amendment"), dated as of August 21, 2018, as approved by the City Council by its Ordinance No. 2173. The Third Amendment to Development Agreement was recorded on September 19, 2018 as Instrument No. 2018182964 in the Official Records of Alameda County.

E. The City and Developer desire to extend the term of the Agreement, First Amendment, Second Amendment, and Third Amendment thereto. In order to strengthen the planning process, encourage private participation in comprehensive planning, secure the orderly development of the shopping center expansion and provide greater opportunities for traffic management and cohesive, attractive site design and improvements and related economic benefits to the City, the City has determined that this Fourth Amendment is an appropriate supplement to the Agreement and First, Second, and Third Amendments thereto.

F. The Agreement, First Amendment, Second Amendment, Third Amendment, and this Fourth Amendment originally permitted an expansion of 380,000 square feet, which was reduced to 362,790 square feet due to construction of P. F. Chang's and the Cheesecake Factory. The remaining 362,790 square feet of expansion area is inclusive of the 79,269 square feet of expansion for which design review approval was granted by Planning Commission Resolution 2019-10 for the Stoneridge Mall Commercial Replacement and Expansion Project. The permitted remaining expansion was covered by the mitigated negative declaration adopted in connection with the original Development Agreement, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012, and addressed in the Addendum for the Stoneridge Mall Commercial Replacement and Expansion Project dated April 16, 2019. The Fourth Amendment is consistent with the General Plan, and there are no impacts peculiar to the parcel or unstudied impacts relevant to this Fourth Amendment.

G. On November 10, 2021, after conducting a duly noticed public hearing, the City Planning Commission recommended the City Council approve this Fourth Amendment, based on the following findings and determinations: this Fourth Amendment is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C- R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

H. Thereafter, on December 21, 2021, the City Council held a duly noticed public hearing on this Fourth Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council introduced the Ordinance. On January 4, 2022, the City Council approved this Fourth Amendment by adopting Ordinance 2230.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree as follows:

1. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on December 31, 2023.

2. Except as expressly modified by this Fourth Amendment, the City and Developer hereby ratify and confirm the terms and conditions of the Agreement and First, Second, and Third Amendments, which are fully incorporated herein by reference and shall continue in full force and effect.

3. This Fourth Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This Fourth Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Fourth Amendment as of the day and year first above written.

27383 & 6103 – No Fee**THIRD AMENDMENT TO DEVELOPMENT AGREEMENT**

THIS THIRD AMENDMENT TO DEVELOPMENT AGREEMENT (the “Amendment”) is made and entered into as of August 21, 2018, by and between the CITY OF PLEASANTON, a municipal corporation of the State of California (“City”), and STONERIDGE PROPERTIES LLC, a Delaware limited liability company, doing business in California as STONERIDGE ASSOCIATES, LLC, successor in interest to SECURITY TRUST COMPANY, as TRUSTEE under TRUST NO. 1860-0 (“Developer”), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS:

A. The City and Developer are parties to a Development Agreement (the “Agreement”) dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993 as Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by this Amendment.)

B. The parties entered into the First Amendment to Development Agreement (the “First Amendment”), dated as of January 6, 1998, as approved by the City Council by its Ordinance No. 1732. The First Amendment to Development Agreement was recorded on February 5, 1998 as Instrument No. 98048535 in the Official Records of Alameda County.

C. The parties entered into the Second Amendment to Development Agreement (the “Second Amendment”), dated as of June 13, 2013, as approved by the City Council by its Ordinance No. 2073. The Second Amendment to Development Agreement was recorded on September 5, 2013 as Instrument No. 2013299219 in the Official Records of Alameda County.

D. The City and Developer desire to extend the term of the Agreement, First Amendment, and Second Amendment thereto. In order to strengthen the public planning process, encourage private participation in comprehensive planning, secure the orderly development of the Project and provide greater opportunities for traffic management and

cohesive, attractive site design and improvements and related economic benefits to the City, the City has determined that this Third Amendment is an appropriate supplement to the Agreement and First and Second Amendments thereto.

E. For the original Development Agreement, the City adopted a mitigated negative declaration. The remaining 362,790 square foot expansion of the Project as permitted by the Agreement, First Amendment, Second Amendment, and this Amendment, was covered by that original mitigated negative declaration, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012.

F. On November 8, 2017, after conducting a duly noticed public hearing, the City Planning Commission recommended that the City Council approve this Third Amendment, based on the following findings and determinations: that this Third Amendment is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C-R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

Thereafter, on December 19, 2017, the City Council held a duly noticed public hearing on this Third Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council made a decision to approve this Third Amendment by introducing Ordinance No. 2173. On August 21, 2018, the City Council adopted Ordinance No. 2173.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree as follows:

1. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on December 31, 2022.

2. Except as expressly modified by this Third Amendment, the City and Developer hereby ratify and confirm the terms and conditions of the Agreement and First and Second Amendment, which are fully incorporated herein by reference and shall continue in full force and effect.

3. This Third Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This

Third Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Third Amendment as of the day and year first above written.

Government Code Sections
27383 & 6103 - No Fee**SECOND AMENDMENT TO DEVELOPMENT AGREEMENT**

THIS SECOND AMENDMENT TO DEVELOPMENT AGREEMENT (the "Amendment") is made and entered into as of June 18, 2013, by and between the CITY OF PLEASANTON, a municipal corporation of the State of California ("City"), and STONERIDGE PROPERTIES LLC, a Delaware limited liability company, doing business in California as STONERIDGE ASSOCIATES, LLC, successor in interest to SECURITY TRUST COMPANY, as TRUSTEE under TRUST NO. 1860-0 ("Developer"), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS:

A. The City and Developer are parties to a Development Agreement (the "Agreement") dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993 as Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by this Amendment.)

B. The parties entered into the First Amendment to Development Agreement (the "First Amendment"), dated as of January 6, 1998, as approved by the City Council by its Ordinance No. 1732. The First Amendment to Development Agreement was recorded on February 5, 1998 as Instrument No. 98048535 in the Official Records of Alameda County.

C. The City and Developer desire to extend the term of the Agreement and First Amendment thereto. In order to strengthen the public planning process, encourage private participation in comprehensive planning, secure the orderly development of the Project and provide greater opportunities for traffic management and cohesive, attractive site design and improvements and related economic benefits to the City, the City has determined that this Second Amendment is an appropriate supplement to the Agreement and First Amendment thereto.

D. For the original Development Agreement, the City adopted a mitigated negative declaration. The remaining 362,790 square foot expansion of the Project as permitted by the Agreement, First Amendment, and this Amendment, was covered by that original mitigated negative declaration, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012.

E. On May 8, 2013, after conducting a duly noticed public hearing, the City Planning Commission recommended that the City Council approve this Second Amendment, based on the following findings and determinations: that this Second Amendment is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C-R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

Thereafter, on June 4, 2013, the City Council held a duly noticed public hearing on this Second Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council made a decision to approve this Second Amendment by introducing Ordinance No. 2073. On June 18, 2013, the City Council adopted Ordinance No. 2073.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree as follows:

1. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on December 31, 2017.

2. Except as expressly modified by this Second Amendment, the City and Developer hereby ratify and confirm the terms and conditions of the Agreement and First Amendment, which are fully incorporated herein by reference and shall continue in full force and effect.

3. This Second Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This Second Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Second Amendment as of the day and year first above written.

ATTACHMENT 2

FIRST AMENDMENT TO DEVELOPMENT AGREEMENT

THIS FIRST AMENDMENT TO DEVELOPMENT AGREEMENT (the "Amendment") is made and entered into as of January 6, 1998, by and between the CITY OF PLEASANTON, a municipal corporation of the State of California ("City"), and SECURITY TRUST COMPANY, as TRUSTEE under TRUST NO. 1860-0 ("Developer"), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS:

A. The City and Developer are parties to a Development Agreement (the "Agreement") dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993 under Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by this Amendment.)

B. The City and Developer desire to amend the Agreement with regard to the funding and reimbursement mechanism applicable to required Traffic Mitigation Improvements. In addition, the parties have agreed to extend the term of the Agreement and to modify the scope of the Project (i.e., future expansion of Stoneridge Regional Shopping Center) as defined therein. In order to strengthen the public planning process, encourage private participation in comprehensive planning, secure the orderly development of the Project and provide greater opportunities for traffic management and cohesive, attractive site design and improvements and related economic benefits to the

City, the City has determined that this Amendment is an appropriate supplement to the Agreement.

C. The City has examined the environmental effects of the Project as modified and, based on the Initial Environmental Study and the Traffic Mitigation Improvements, has determined that the Project will have no significant adverse effect on the environment, on the basis of which a negative declaration was adopted by the City Council.

D. On July 23, 1997, after conducting a duly noticed public hearing, the City Planning Commission recommended that the City Council approve this Amendment, based on the following findings and determinations: that this Amendment is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C-R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

E. Thereafter, on December 9, 1997, the City Council held a duly noticed public hearing on this Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council made a decision to approve this Amendment by introducing Ordinance No. 1732. On January 6, 1998, the City Council adopted Ordinance No. 1732.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree as follows:

1. Revised Description of Project and Property.

(a) The description of the Project is hereby amended and restated in the form of revised Exhibit C attached hereto. As so revised, the Project shall constitute additional future Floor Area in the Shopping Center of up to 380,000 square feet and related improvements.

(b) The Property is presently defined in the Agreement to be that portion of the Shopping Center, consisting of approximately 35 acres, owned by Developer. As redefined, the Project now extends to development within the entire Shopping Center, consisting of approximately of 75 acres. At such time as, pursuant to the Agreement, further development occurs within the Shopping Center on portion(s) thereof not owned by Developer, the parties hereto shall supplement this Amendment (by way of

modification to Exhibits A and B to the Agreement) to include within the definition of the "Property" that portion of the Shopping Center being so developed. Such modification shall be by way of implementation of the terms and conditions of this Amendment and may be completed by City staff without further public hearings.

2. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on December 31, 2012.

3. Traffic Mitigation Improvements. Sections 3.2(a) and 3.2(b) of the Agreement are hereby amended and restated to read as follows (with Sections 3.2(c) through (e) being redesignated as Sections 3.2(i) through (k), respectively):

3.2 Conditions.

(a) Traffic Mitigation Improvements; Estimated Costs. In consideration of the City's entering into this Agreement, Developer agrees to contribute to the cost of those public improvements (the "Traffic Mitigation Improvements") set out in Exhibit D attached hereto. The City has identified these Traffic Mitigation Improvements as necessary to maintain adequate levels of service for traffic circulation in and around the Stoneridge Shopping Center area of North Pleasanton as development occurs on certain properties which currently are undeveloped or on other properties which are developed but may be redeveloped or the uses thereon expanded or intensified. The City shall complete the Traffic Mitigation Improvements from time to time as and when the same shall be required, as a consequence of additional development in the Stoneridge Shopping Center area, in order to avoid a deterioration of the level of traffic services (LOS) at any intersection identified on Exhibit D below LOS "D". As shown on Exhibit D, the estimated costs of constructing the Traffic Mitigation Improvements ("Estimated Traffic Mitigation Improvements Costs"), based on present construction costs, is \$1,080,000. Certain funding sources ("Existing Funding Sources") exist, a list of which is set forth in Exhibit E attached. All funds from time to time held by the City from the Existing Funding Sources (or hereafter from a Contributing Project, as defined below) are to be applied to the Traffic Mitigation Improvements Costs next incurred by the City. The City, and not Developer, shall be responsible for collecting from the Existing Funding Sources (and hereafter from Contributing Projects, as aforesaid) all funds referred to in this Section 3.2. After deducting the Existing Funding Sources from the Estimated Traffic Mitigation Improvements Costs, the remaining Traffic Mitigation

Improvements Costs ("Net Estimated Traffic Mitigation Improvements Costs") is \$954,750, as shown on Exhibit F.

(b) Developer's Share of Net Estimated Traffic Mitigation Improvement Costs. A list of the currently identified projects that will contribute ("Contributing Projects") to the Traffic Mitigation Improvements Costs is shown on Exhibit F. (Said list has been compiled by the City based upon development projects as to which development agreements, applications or other submittals to the City or similar evidence of expected development existed as of October 1, 1997; said list of Contributing Projects shall be revised from time to time by the City as development expectations change.) Based upon the foregoing and subject to adjustment as hereinbelow provided, Developer's share of the Net Estimated Traffic Mitigation Improvements Costs (calculated as a percentage) shall be fifty and one-half percent (50.5%) ("Developer's Percentage Share"). Developer's share of the Net Estimated Traffic Mitigation Improvements Costs (in terms of present dollars) is, accordingly, \$482,149 ("Developer's Estimated Required Payment"). Developer's Percentage Share and Developer's Estimated Required Payment shall be adjusted as specifically provided in this Section 3.2.

(c) Developer's Payments.

(i) Payment of Net Estimated Traffic Mitigation Improvements Costs. Subject to Developer's responsibility for increased costs (pursuant to subparagraph (g) below) and the City's responsibility for reimbursement to Developer (pursuant to subparagraph (e) below), Developer (or its successor, including a major department store within the Shopping Center ["successor"]) shall pay to the City either the Net Estimated Traffic Mitigation Improvements Costs or, if the actual costs of particular Traffic Mitigation Improvements have been determined by bid, the Net Actual Traffic Mitigation Improvements Costs, for the Traffic Mitigation improvements, when (1) Developer (or its successor) obtains a building permit for any portion of the Project as identified on Exhibit F, and (2) the City Engineer reasonably determines that the LOS at any intersection identified on Exhibit D will be below LOS "D" following completion of the improvements covered by such building permit. If the circumstance referred to in clause (2) will not exist following the completion of such improvements (i.e., no Traffic Mitigation Improvements must be completed at the time of such development), then Developer (or its successor) shall pay to the City Developer's Estimated Required Payment (or allocable portion thereof, as referred to below) at such time as either (A) the City is obligated to pay Reimbursement Fees to a Contributing Project as provided in subparagraph (e) below, or (B) the City

thereafter incurs costs in connection with the completion of any Traffic Mitigation Improvements; such payment may be made in installments, as necessary, in order to satisfy the foregoing, and any such accrued payment obligation shall continue as an obligation of Developer (or its successor) to the extent the same remains unpaid at the termination of this Agreement. (Notwithstanding the foregoing, Developer (or its successors) may elect not to defer payment of Developer's Estimated Required Payment as referred in the preceding sentence, but rather may pay same to the City upon issuance of the aforesaid building permit.) The foregoing reference to "allocable portion" shall be understood to refer to that circumstance where Developer (or its successor) completes only a portion of the Project as referred to on Exhibit F; by way of example, if Developer (or its successor) were to construct an additional 100,000 sq. ft. of Floor Area within the Shopping Center, then Developer's allocable portion of its Estimated Required Payment would be 17.9% (100,000 sq. ft. divided by the total Project size of 558,000 sq. ft. as shown on Exhibit F) of the total Estimated Required Payment for Developer (*i.e.*, $0.179 \times \$482,149 = \text{approximately } \$86,305$).

(ii) Increase in Net Estimated Traffic Mitigation Improvements Costs. Any portion of the Net Estimated Traffic Mitigation Improvements Costs not paid to the City by Developer by January 1, 1999 shall increase by an interest factor equal to the Prime Rate from such date to the date of payment. The term "Prime Rate" shall mean the rate of interest which Wells Fargo Bank, N.A. ("WFB") announces publicly at its main office in San Francisco, California, as its "prime rate" for unsecured commercial loans. If WFB no longer announces a prime rate, the term "Prime Rate" shall mean the "reference rate", "base rate" or other comparable rate which WFB announces in lieu of the prime rate. Changes in the Prime Rate shall be effective as of the date announced by WFB.

(d) Liability of Contributing Projects. In addition to Developer's property, other properties will benefit from the Traffic Mitigation Improvements. The boundaries of such benefitted properties are depicted on Exhibit G attached hereto. As of October 1, 1997, the City has identified five "Contributing Projects" which will benefit from completion of the Traffic Mitigation Improvements, as shown on Exhibit F. The City has assigned each Contributing Project (including Developer's) a percentage share of the responsibility for participating in the costs to complete the Traffic Mitigation Improvements. That percentage share of the Traffic Mitigation Improvements Costs of each of the currently identified Contributing Projects and their required payments are also shown on Exhibit F. Each

Contributing Project's share is based upon its estimated peak hour trips as a percentage of the total peak hour trips contributed by all such Contributing Projects. Over time, the number of Contributing Projects is expected to change as properties develop, redevelop or as existing uses expand, intensify or consolidate. As that occurs, the City shall revise the list of Contributing Projects and the relative percentages among the Projects so that each Project that has not already paid its entire share shall then be responsible to pay its share of the Traffic Mitigation Improvements Costs based on its estimated peak hour trips as a percentage of the total peak hour trips contributed by all identified Contributing Projects. Each Contributing Project's contribution shall be based on its percentage share of the Traffic Mitigation Improvements Costs. (To the extent any Contributing Project has paid its entire share of the Traffic Mitigation Improvements Costs when it obtained a building permit or permits, such Project shall not be responsible for any additional contribution should the Project's percentage thereafter increase; similarly, should such Project's percentage decrease, such Contributing Project shall not be entitled to a refund.) Any portion of the Net Estimated/Actual Traffic Mitigation Improvements Costs not paid by the owners of the Contributing Projects by January 1, 1999 shall increase by an interest factor equal to the Prime Rate. The interest factor shall be applied from such date to the date of payment. The owner of each Contributing Project shall also be responsible for its percentage share (as stated in Exhibit F, as the same may be revised) of the Excess Traffic Mitigation Improvements Costs (as defined below). To the extent that any BART facilities are developed within the area shown on Exhibit G, the City shall likewise diligently pursue all available means to require that BART bear its fair share of Net Estimated/Actual Traffic Mitigation Improvements Costs on the same basis as any other Contributing Project.

(e) Reimbursement From Contributing Projects. If Developer has paid to the City any portion of the Net Estimated/Actual Traffic Mitigation Improvements Costs (or Excess Traffic Mitigation Improvements Costs) attributable to another Contributing Project (i.e., Developer has paid an amount in excess of Developer's Estimated Required Payment, or allocable share thereof, as earlier discussed, in the event that a portion only of Developer's Project has been developed), then Developer shall be entitled to reimbursement of the full amount of such excess, plus an interest accrual thereon at the Prime Rate from the date paid until reimbursed hereunder (the "Reimbursement Fee"). The City shall require payment by each Contributing Project, as a condition of the next approval requested by the Contributing Project, of such Project's percentage share of the Net Estimated/Actual Traffic Mitigation Improvements Costs on the same basis that Developer is obligated to make payments for same in accordance with subparagraph (c) above.

The City shall collect such amounts in conjunction with each building permit requested by a Contributing Project. The City shall use its best efforts to prevent Contributing Projects from receiving any City approvals without the condition that they make such payments and shall not issue permits, licenses or consents for development of the Contributing Projects without such payments being made (or committed to, as applicable). If, for any reason, the City grants an approval to a Contributing Project but voluntarily elects not to collect or impose such payment in respect of the Net Actual/Estimated Traffic Mitigation Improvements Costs, then the City shall, for all purposes, be deemed to have collected the required payment from the Contributing Project and shall, accordingly, be obligated to advance from the City's general funds the full amount thereof for the purpose of paying such Traffic Mitigation Improvements Costs and/or making a payment of Reimbursement Fees to Developer hereunder, as applicable. To the extent that Reimbursement Fees are owed to Developer (or any other Contributing Project which may have advanced more than its applicable percentage share of Traffic Mitigation Improvements Costs), then the City shall be obligated to pay such Reimbursement Fees owed, subject to the following: (i) payments collected from each Contributing Project shall first be applied in payment of Actual Traffic Mitigation Improvements Costs then payable in order to maintain LOS "D" at the required intersections as stated above; and (ii) any remaining funds collected shall be applied in payment of Reimbursement Fees, with such payments to be allocated among Developer and other Contributing Projects owed Reimbursement Fees in proportion to the amount of such Reimbursement Fees owed to each such person. Notwithstanding any termination of this Agreement, the City shall continue to pay to Developer Reimbursement Fees which may be owed to Developer from payments later collected by the City from other Contributing Projects, until Developer's Reimbursement Fees have been fully repaid.

(f) This subparagraph sets forth several examples of the manner in which Reimbursement Fees would accrue and, ultimately, be paid hereunder. The addition of the Sears department store shall trigger the need to widen Canyon Way in the form of the Traffic Mitigation Improvement listed as Item A-1 on Exhibit D. Assuming that the Actual Traffic Mitigation Improvement Costs therefor are \$500,000, then Developer (and/or Sears, as its successor) would be required to pay to the City \$374,750 (i.e., the Actual Traffic Mitigation Improvement Costs less the Existing Funding Sources totalling \$125,250). Said payment would generate a Reimbursement Fee to Developer in the amount of \$220,450 calculated as follows:

(i) 178,000 sq. ft. (Sears store) divided by 558,000 sq. ft. (total Project) yields an allocable share of the total Project of approximately 32%;

(ii) 32% of Developer's Estimated Required Payment is approximately \$154,300 ($0.32 \times \$482,149$); and

(iii) the difference between \$374,750 and \$154,300 is \$220,450, which constitutes the amount paid in excess of such allocable share.

Assume that (1) the next Contributing Project is required to fund an additional Traffic Mitigation Improvement, the actual cost of which is \$325,000, and (2) such Contributing Project's total Estimated Required Payment is \$250,000. A Reimbursement Fee would then be payable to such Contributing Project in the amount of \$75,000 (namely, the difference between \$325,000 and \$250,000). Assume further that an additional Contributing Project is constructed at a time when no additional Traffic Mitigation Improvement must be constructed, and that such Contributing Project pays to the City, at issuance of the building permit therefor, its Estimated Required Payment of \$100,000 (including the accrual factor, to the extent applicable, referred to in subparagraph (c)(ii) above). Said \$100,000 would be paid by the City, by way of partial pro rata repayment of Reimbursement Fees, to Developer (\$74,600) and to the second Contributing Project in the example (\$25,400), which payments reflect a proportional allocation between Developer (owed a Reimbursement Fee of \$220,450) and the second Contributing Project (owed a Reimbursement Fee of \$75,000).

As provided in subparagraph (e) above, an accrual factor (at the Prime Rate) shall be added to unpaid Reimbursement Fees. By way of illustration utilizing the foregoing example, assume that the \$100,000 is paid by the City to Developer and the second Contributing Project two years and one year, respectively, after each had advanced funds to pay for the particular Traffic Mitigation Improvement required at the time their respective building permits were issued; assume further that the Prime Rate was 8% per annum during the two-year period referred to, and that such two-year period commenced after January 1, 1999. The total Reimbursement Fee due Developer would be the sum of \$220,450 plus approximately \$35,270 (namely, two years' accrual at 8% on \$220,450), or a total of \$255,720. Similarly, the total Reimbursement Fee due the second Contributing Project would be \$75,000 plus \$6,000 (one year's accrual at 8% on \$75,000), or a total of \$81,000. Using the foregoing figures, the \$100,000 would be allocated \$75,900 to Developer and \$24,100 to the second Contributing Project, in proportion to the total Reimbursement Fees (including the accrual) owed to each at the date of reimbursement by the City.

(g) Developer's Responsibility For Increased Costs.
The current Estimated Traffic Mitigation Improvements Costs

may be inaccurate for many reasons, or the Traffic Mitigation Improvements Costs may increase after the date of this Agreement at a rate other than the Prime Rate. Developer shall be responsible for Developer's Percentage Share of the costs of the Traffic Mitigation Improvements identified in Exhibit D in excess of \$954,750 ("Excess Traffic Mitigation Improvements Costs"), subject to the following limitations:

(i) Developer's Maximum Liability. Developer's maximum liability for Excess Traffic Mitigation Improvements Costs shall be ten percent (10%) of Developer's Estimated Required Payment (i.e., 10% of \$482,149 or \$48,215);

(ii) City's Obligation. Any Excess Traffic Mitigation Improvements Costs beyond Developer's maximum liability therefor as aforesaid shall be paid by the City; and

(iii) Reimbursement from Contributing Projects. The owner of each Contributing Project shall be required to pay to the City such Contributing Project's percentage share of the Excess Traffic Mitigation Improvements Costs paid by Developer, the City or any other Contributing Project which has advanced Excess Traffic Mitigation Improvements Costs, together with interest at the Prime Rate from the date of payment by such person or entity to the date of reimbursement by the owner of the Contributing Project. Such payment shall be required concurrent with the payment by such Contributing Project of its percentage share of Traffic Mitigation Improvements Costs generally. Upon receipt of such payment toward the Excess Traffic Mitigation Improvements Costs, the City shall apply same to repayment of such Excess Traffic Mitigation Improvements Costs advanced by Developer, the City and/or any other Contributing Project in proportion to the amount thereof advanced by each such person.

(h) Future Impact Fee. In the event the City should hereafter adopt a traffic impact or similar capital improvements fee or fees, the purpose and use of which would include any of the Traffic Mitigation Improvements, the payment obligations of Developer (and its successors) under this Section 3.2 shall be credited against such fees.

4. Additional Traffic Improvements. Section 3.2(i) of the Agreement is revised by adding the following at the end thereof:

"Additional Traffic Improvements as used herein shall specifically mean mitigation measures identified by the City to offset anticipated traffic impacts should it decide not to construct the West Las Positas interchange at I-680. Furthermore, Developer agrees

that the following special conditions shall apply to the additional 202,000 square foot of Floor Area approved as part of the Project pursuant to the First Amendment to Development Agreement (but such conditions shall not apply to the previously approved 178,000 square feet remaining unused at the date of such First Amendment):

(A) no use of such additional Floor Area will be made until the earlier of (x) completion of the West Las Positas study and, as a consequence thereof, any modification of the Circulation Element of the City's General Plan (including revisions to the street network and/or acceptable levels-of-service therein), or (y) December 31, 1999; and

(B) within sixty (60) days following occurrence of the condition referred to in the foregoing subparagraph (A), the City shall, by a majority vote of its City Council, either (x) revoke Developer's rights to the additional 202,000 square feet of Floor Area if development of such additional Floor Area is determined to be inconsistent with said Circulation Element (as the same may be amended as a result of the West Las Positas study), or (y) confirm Developer's rights to the additional 202,000 square feet of Floor Area if development of such additional Floor Area is determined to be consistent with said Circulation element (as the same may be amended as a result of the West Las Positas study). Such action by the City Council shall be undertaken at a regularly noticed public hearing, and the Council action to revoke or to confirm shall be deemed a legislative action.

Any such revocation shall not affect Developer's other rights and obligations under the Development Agreement as amended, nor limit or prejudice Developer's right at any time to request City approval (whether pursuant to the Development Agreement or otherwise) of additional expansion within the Stoneridge Shopping Center."

5. Miscellaneous.

(a) Developer acknowledges that the City is not guaranteeing that existing LOS standards be maintained in perpetuity and that no guarantee is made that the City will be responsible for keeping intersections at LOS "D" or better.

(b) Developer shall continue to implement a proactive Transportation Systems Management program or other measures which will positively mitigate the Project's otherwise anticipated traffic impacts.

(c) Except as expressly modified by this Amendment, the City and Developer hereby ratify and confirm all of the terms

and conditions of the Agreement, which is fully incorporated herein by reference and shall continue in full force and effect.

(d) This Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the "Agreement") is made and entered into as of November 5, 1992, by and between the CITY OF PLEASANTON, a municipal corporation of the State of California ("City"), and SECURITY TRUST COMPANY, as TRUSTEE under TRUST NO. 1860-0 ("Developer"), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS:

This Agreement is entered into on the basis of the following facts, understandings and intentions of the parties:

A. To strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted Government Code Sections 65864-65869.5 authorizing the City to enter into development agreements in connection with the development of real property within its jurisdiction by qualified applicants with a requisite legal or equitable interest in the real property which is the subject of such development agreements.

B. Developer is the fee owner of that certain parcel of land (the "Property") outlined in Exhibit A and being more particularly described in Exhibit B attached hereto. The Property constitutes approximately 35.19 acres and is that portion of the Shopping Center currently owned by Developer. The Property is presently improved with a two-level enclosed mall, mall stores fronting thereon, exterior parking and other common area facilities, and related improvements. The Property constitutes an integral part of Stoneridge Regional Shopping Center (the "Shopping Center"), which has been constructed in phases by Developer, commencing in 1978, and which now includes major department stores owned and operated by Macy, Penney, Capwell and Nordstrom.

C. Developer intends to add further retail and related common area improvements to the Shopping Center as more particularly described in Exhibit C hereto (said improvements herein collectively referred to as the "Project"). Although the Project as described in Exhibit C refers to additional future Floor Area of up to 356,000 square feet, the Project represents an incremental addition of only 180,000 square feet of Floor Area to the already anticipated and approved build-out of the Shopping Center currently incorporated in the City's traffic models and in other land use approvals in North Pleasanton previously considered by the City.

D. The City has examined the environmental effects of the Project and, based on the Initial Environmental Study and the Traffic Mitigation Improvements hereinbelow referred to, has

determined that the Project will have no significant adverse effect on the environment, on the basis of which a negative declaration was adopted by the City Council.

E. City has determined that the Project is a development for which a development agreement is appropriate. A development agreement will eliminate uncertainty in the City's land use planning for and secure orderly development of the Project. A development agreement shall facilitate the orderly expansion of the Shopping Center through completion of the Project, which shall provide greater opportunities for traffic management and cohesive, attractive site design and improvements and result in important economic benefits, both direct and indirect, to the City. Developer will incur substantial contractual obligations and related costs in the development of the Project, which will require extended negotiations with and long lead-time commitments from additional major department and specialty store participants in the Shopping Center. In exchange for the benefits to the City and the general public of the expanded Shopping Center, Developer desires to receive assurance that City shall grant permits and approvals required for the development of the Project in accordance with the Existing City Laws, subject to the terms and conditions contained in this Agreement. In order to effectuate these purposes, the parties desire to enter into this Agreement.

F. On August 20, 1992, after conducting a duly noticed public hearing, the City Planning Commission recommended that the City Council approve this Agreement, based on the following findings and determinations: that this Agreement is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C-R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

G. Thereafter, on September 15, 1992, the City Council held a duly noticed public hearing on this Agreement and made the same findings and determinations as the Planning Commission. On that same date, the City Council made a decision to approve this Agreement by introducing Ordinance No. 1578 (the "Enacting Ordinance"). On October 6, 1992, the City Council adopted the Enacting Ordinance. The Enacting Ordinance became effective on November 5, 1992.

NOW, THEREFORE, pursuant to the authority contained in Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein

contained, the parties agree as follows:

1. Definitions. Each reference in this Agreement to any of the following terms shall have the meaning set forth below for each such term. Certain other terms shall have the meanings set forth for such terms elsewhere in this Agreement.

1.1 Approvals: Any and all approvals or permits of any kind or character required under the City Laws in order to develop the Project, including, but not limited to, use permits, site clearance, grading plans and permits, and certificates of occupancy.

1.2 City Laws: The ordinances, resolutions, codes, rules, regulations and official policies of City, governing the permitted uses of land, density, design, improvements and the construction standards and specifications applicable to the development of the Property. Specifically, but without limiting the generality of the foregoing, City Laws shall include the City's General Plan, the City's Zoning Ordinance and the City's Subdivision Ordinance.

1.3 Conditions: All conditions, exactions, fees or payments, dedication or reservation requirements, obligations for on- or off-site improvements, services or other conditions of approval called for in connection with the development of or construction on property under the Existing City Laws, whether such conditions constitute public improvements, mitigation measures in connection with environmental review, or any other impositions.

1.4 Director: The Director shall mean the Director of Planning & Community Development for the City of Pleasanton.

1.5 Enacting Ordinance: As defined in Recital G.

1.6 Existing City Laws: The City Laws in effect as of the Effective Date (as defined in Section 2.1 below).

1.7 Floor Area: The actual number of square feet of floor space of all floors in any future new building improvements located on the Property (excluding basement space, subterranean areas, and balcony and mezzanine space) within the interior face line of the exterior walls; provided, however, that "Floor Area" shall not include any of the following:

(i) Areas which are used exclusively to house mechanical, electrical, telephone, HVAC and other such building operating equipment, whether or not physically separated or otherwise required by building codes;

(ii) any area designated for the parking of motor vehicles, whether contained in enclosed or

partially enclosed structures or on roofs, whether above, below or at grade, and whether contained in single or multi-level structures;

(iii) any outside areas (including those covered by canopy, awning or other protective cover and which sides are generally unwallled) which is permitted to be and is used for the storage and/or display of merchandise to be sold at retail or exterior restaurant seating or similar purposes; and

(iv) emergency fire and service corridors and all common areas located within building improvements, including, without limitation, all malls, restrooms, pedestrian walkways, stairways, escalators and elevators, and all other similar areas not located within any store.

1.8 Laws: The laws and Constitution of the State of California, the laws and Constitution of the United States and any codes, statutes or executive mandates in any court decision, state or federal, thereunder.

1.9 Mortgage: A mortgage, deed of trust, sale and leaseback arrangement in which the Property or a portion thereof or an interest therein is sold by Developer and leased back concurrently therewith (which arrangement is subject to no prior contractual encumbrances securing payment of money), or other transaction in which the Property, or a portion thereof or an interest therein, is pledged as security, contracted in good faith and for fair value.

1.10 Mortgagee: The holder of the beneficial interest under a Mortgage.

1.11 Party: A signatory to this Agreement, or a successor or assign of a signatory to this Agreement.

1.12 Project: As defined in Recital C.

1.13 Property: The real property outlined in Exhibit A and described in Exhibit B hereto on which Developer intends to develop the Project.

1.14 Shopping Center: As defined in Recital B.

1.15 Traffic Mitigation Improvements: As defined in Section 3.2.

2. Effective Date; Term.

2.1 Effective Date. This Agreement shall be dated and the obligations of the parties hereunder shall be effective as of

the effective date of the Enacting Ordinance, pursuant to Government Code Section 36937, as specified in Recital G above (the "Effective Date"). The City shall cause this Agreement to be recorded in the Official Records of the County of Alameda, State of California, as provided for in Government Code Section 65868.5. However, failure to execute or record this Agreement within the time period provided for in Section 65868.5 shall not affect its validity or enforceability among the Parties.

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall commence on the Effective Date and shall terminate on the fifteenth (15th) anniversary of the Effective Date.

3. General Development of the Project.

3.1 Project Vested. Developer shall have the vested right to develop the Project on the Property in accordance with the terms and conditions of this Agreement and such amendments thereto as shall from time to time be approved, pursuant to this Agreement. Except as otherwise specified herein, this Agreement and the Existing City Laws shall control the overall design, development and construction of the Project, and all improvements and appurtenances in connection therewith, including, without limitation, the permitted uses on the Property, the density and intensity of uses, the maximum height and the number of required parking spaces, all of which shall constitute vested elements of the Project.

3.2 Conditions.

(a) Traffic Mitigation Improvements. In consideration of City's entering into this Agreement, Developer shall contribute to the costs of those public improvements (the "Traffic Mitigation Improvements") set out in Exhibit D attached hereto. City has identified ten development projects (collectively, the "Contributing Projects") in the Stoneridge Shopping Center area which will benefit from completion of the Traffic Mitigation Improvements. City has assigned each Contributing Project a percentage share of the responsibility for participating in the costs to complete the Traffic Mitigation Improvements. As of the date of this Agreement, Developer's contribution percentage is 37.6%. As of August 20, 1991, the net estimated costs to complete the Traffic Mitigation Improvements was \$752,820. Based thereon, Developer or its successors shall contribute, to the cost of completing the Traffic Mitigation Improvements, up to the following amount (such maximum amount herein referred to as the "Developer Contribution"): (i) \$283,060 plus an accrual factor thereon at the Wells Fargo Bank Prime Rate from time to time in effect, commencing August 20, 1991, to the date of payment, plus (ii) an additional \$28,306, which sum represents 10% of the aforementioned Developer obligation to take

into account possible inaccuracies in the original cost estimates to complete the Traffic Mitigation Improvements. City shall complete the Traffic Mitigation Improvements from time to time as and when the same shall be required, as a consequence of additional development in the Stoneridge Shopping Center area, in order to avoid a deterioration of the level of traffic service (LOS) at any intersection identified on Exhibit D below LOS "D". Developer or its successors shall pay to City, in installments, Developer's share of the costs of the Traffic Mitigation Improvements; each such installment shall be calculated by multiplying the Developer Contribution by a fraction, the numerator of which is the Floor Area the subject of the relevant building permit and the denominator of which is 356,000. Each such installment payment shall be made at the later of (i) issuance of the subject building permit or (ii) incurrence by City of the costs to complete the relevant Traffic Mitigation Improvements. The maximum Developer Contribution shall not exceed the lesser of the aforementioned maximum amount or Developer's share of City's actual cost to complete the Traffic Mitigation Improvements. Notwithstanding the foregoing, Developer's contribution percentage, and the maximum Developer Contribution obligation referred to above, shall be reduced in proportion to the burden assumed by any additional development project(s) which the City in good faith determines should be a Contributing Project within the Stoneridge Shopping Center area in respect of a fair allocation of the costs of completing the Traffic Mitigation Improvements. Under no circumstances shall Developer be responsible for paying or advancing any portion of the costs of the Traffic Mitigation Improvements beyond the Developer Contribution, except as provided in Section 3.2(b).

(b) Reference is made to that certain public document dated August 20, 1990 entitled "Reimbursement Agreement for Stoneridge Corporate Plaza II" by and between the City and Crocker Properties Inc. ("Crocker Agreement") whereby Crocker Properties Inc. ("Crocker") agrees to advance, subject to partial reimbursement and certain maximum limitations, the total costs of completing the Traffic Mitigation Improvements. If, despite City's best efforts, Crocker fails to advance the funds for Traffic Mitigation Improvements when, as a result of the Project, LOS at any intersection identified on Exhibit D which will fall below LOS "D" (such advance by Crocker to be in the amount of such costs in excess of Developer's share thereof and other funds, if any, received by the City from Contributing Projects), then Developer will advance the funds necessary to mitigate such intersections, subject to the following conditions:

(i) Developer shall be reimbursed, from payments to be required by the City from Contributing Projects, on the same terms and conditions afforded to Crocker under the Crocker Agreement, including Paragraphs 7 and 8 thereof; and (ii) in no event shall Developer's aggregate obligation so to advance funds exceed a total amount (including Developer's Contribution) equal to the sum of (A) \$752,820 plus an accrual factor thereon at the Wells Fargo Bank Prime Rate from time to time in effect, commencing

August 20, 1991, to the date of such advance, plus (B) \$28,306. The Crocker Agreement has not been and will not, without the prior written consent of Developer, be amended, modified, canceled, or revoked if the effect thereof would be to alter, condition or impair any such reimbursement rights in favor of the Developer. If (x) Crocker has advanced to City costs (in excess of Crocker's pro rata share thereof) to complete Traffic Mitigation Improvements, and (y) Developer has paid to City a portion of the Developer Contribution as provided in subparagraph (a) above, and City has paid or tendered such payment to Crocker as the "Reimbursement Fee" then payable to Crocker under Section 7(b) of the Crocker Agreement, and (z) Crocker has asserted that the amount thereof is less than the amount then due it under such provision of the Crocker Agreement in respect of the Project, and it is ultimately determined (by judgment or settlement reasonably approved by Developer) that City is obligated, at that time and in respect of the Project, to pay a Reimbursement Fee to Crocker in excess of the Developer Contribution theretofore paid under this Agreement, then Developer shall make a supplemental payment to City, by way of a further Developer Contribution equal to the additional amount determined to be owing by City to Crocker. Nothing in the preceding sentence shall increase the maximum Developer Contribution as hereinabove provided, and any additional such payment by Developer shall be credited against future payments of the Developer Contribution payable to City under this Agreement. Developer shall not be obligated to make any additional payments in respect of City's obligations to Crocker under the Crocker Agreement, including costs or attorneys' fees.

(c) Additional Traffic Improvements. City shall have the discretion to determine in good faith that the effects of cumulative development of properties within the North Pleasanton area (which shall be the area generally encompassed within the boundaries of the North Pleasanton Improvement District) require additional traffic improvements ("Additional Traffic Improvements") beyond those required by Section 3.2(a), and to spread, to the extent reasonable and practical, the cost of financing these Additional Traffic Improvements through formation of a special assessment district or districts encompassing those properties benefitting therefrom. Subject to the terms of this Agreement, Developer agrees not to protest the establishment of assessment districts to fund the Additional Traffic Improvements. Developer retains the right to protest and litigate all matters other than the validity of the formation of any such district, including but not limited to the scope of improvements, the costs thereof and the allocation of such costs among various properties. In the event Developer initiates or participates in litigation concerning allocation of the cost of such improvements, Developer shall allow formation of the district and placement of liens on the Property so long as City provides security which, in Developer's reasonable estimation, will allow City to pay off the amount of indebtedness that is in dispute in the event Developer prevails in the litigation. A good faith

protest pursuant to this Section 3.2(b) shall not be construed as an action of noncompliance under the terms of this Agreement.

(d) Specific Project-Generated Traffic Improvements.

Stoneridge Mall Road is designed to function as a traffic distributor and best fulfills its function without traffic signals. The parties agree, however, that if a multi-level parking structure is constructed and, in the determination of traffic engineers for the City (following review by and consultation with the Developer's traffic engineers), traffic control measures are necessary on Stoneridge Mall Road, Developer shall pay for the installation of a traffic signal or other similar mitigation measure. Such mitigation measure shall become a condition imposed during the design review process, but such condition will allow actual field studies for specified period of time prior to the actual installation of such traffic mitigation measure.

(e) Public Transit. The Developer will continue to cooperate in permitting public bus access to and from the Shopping Center as provided in the existing written agreements with Contra Costa County Transit Authority, Livermore Amador Valley Transit Authority, and San Francisco-Bay Area Rapid Transit District.

3.3 Project Phasing. The Project will be developed in phases, and the Parties acknowledge that Developer cannot presently predict the timing or sequencing of any such Project phasing. Such decisions depend upon numerous factors which are not within the control of Developer, such as market orientation and demand, interest rates, competition and other similar factors. Because the California Supreme Court held in Pardee Construction Co. v. City of Camarillo, 37 Cal. 3d 465 (1984), that failure of the parties therein to provide for the timing of development resulted in a later-adopted initiative restricting the timing of development approved under the parties' agreement, it is the Parties' intent to cure that deficiency by acknowledging and providing that Developer shall have the right to develop the Project in phases in such order and at such times as Developer deems appropriate within the exercise of its subjective business judgment and the provisions of this Agreement. By entering into this Agreement, Developer shall not be obligated to develop the Project.

3.4 Other Governmental Permits.

(a) Developer or City (whichever is appropriate) shall apply for such other permits and approvals from other governmental or quasi-governmental agencies which may have jurisdiction over the Project (such as any public utility district) as may be required for the development of, or provision of services to, the Project. City shall promptly and diligently cooperate, at no cost to the City, with Developer in its endeavors to obtain such permits and approvals and, from time to time at the request of Developer, shall attempt with due

diligence and in good faith to enter into binding agreements with any such entity in order to assure the availability of such permits and approvals or services. To the extent allowed by law, Developer shall be a party or third-party beneficiary to any such agreement and shall be entitled to enforce the rights of Developer or City thereunder or the duties and obligations of other parties thereto.

(b) Water availability shall be subject to the City's rules and regulations in effect at the time building permits are applied for. The City shall withhold building permits for the Project if, at the time building permits are applied for, mandatory water rationing is in effect under a program precluding the issuance of building permits for the Project, unless the City has adopted a water offset program and unless the Developer is participating in the program.

3.5 Additional Fees. Except as set forth in this Agreement, City shall not impose on the Project any further or additional fees, taxes or assessments, whether through the exercise of the police power, the taxing power or any other means, other than those prescribed in this Agreement, provided that (a) if City forms an assessment or similar district including the Property, and such district is City-wide, the Property may be legally assessed through such district based on the benefit to the Property, which assessment shall be consistent with the assessment of other property in the district similarly situated (but in no event shall Developer's obligation to pay any such assessment result in a cessation or postponement of construction of the Project or affect in any way Developer's rights in respect of the Project); (b) City may charge Developer fees which are in force and in effect on a City-wide basis under Existing City Laws, but at the rate applicable at the time application is submitted, for the following: building and related construction permit fees (including plan review and site inspection); fire department fees (including sprinkler); disabled persons review and field inspection fee; City water and water meter fees; Lower Income Housing Fee; and, subject to limitations contained in a separate agreement between the Parties entered into concurrently herewith, sanitary sewer fees; (c) any applicable school district fees, Zone 7 drainage and water fees, and other fees required to be collected by City on behalf of and for the benefit of other governmental agencies or instrumentalities, provided that the same are payable in respect of the Project notwithstanding Developer's rights and benefits under this Agreement; and (d) the City may adopt an ordinance for a City-wide traffic mitigation fee uniformly applied and applicable to all new construction.

The Parties acknowledge that the provisions contained in this Section 3.5 are intended to implement the intent of the Parties that Developer has the right to develop the Project pursuant to specified and known criteria and rules, and that City receive the benefits which will be conferred as a result of such

development without abridging the right of City to act in accordance with its powers, duties and obligations.

3.6 Effect of Agreement. This Agreement shall constitute a part of the Enacting Ordinance, as if incorporated by reference therein in full.

4. Specific Criteria Applicable to Development of the Project.

4.1 Applicable Laws and Standards. Notwithstanding any change in any Existing City Laws, including, but not limited to, any change by means of ordinance, resolution, initiative, referendum, policy or moratorium, and, except as otherwise provided in this Agreement (including Section 3.5), the laws and policies applicable to the Property are set forth in Existing City Laws (regardless of future changes in these by City) and this Agreement. Developer has vested rights to build and occupy on the Property in accordance with this Agreement, provided that City may apply and enforce the Uniform Building Code (including the Uniform Mechanical Code, Uniform Electrical Code and Uniform Plumbing Code) and Uniform Fire Code in effect at the time Developer applies for building permits for any aspect of the Project.

4.2 Application of New City Laws. Nothing herein shall prevent City from applying to the Property new City Laws that are not inconsistent or in conflict with the Existing City Laws or the intent, purposes or any of the terms, standards or conditions of this Agreement in respect of the development of the Project, and that do not impose any further or additional fees or any other Conditions on the Project, except as provided in Section 3.5. Any action or proceeding of the City that has any of the following effects on the Project shall be considered in conflict with this Agreement and the Existing City Laws:

- (a) limiting the uses permitted on the Property;
- (b) limiting or reducing the density or intensity of uses, the maximum height or the allowable Floor Area, increasing the number of required parking spaces, or imposing reservations and dedications of land for public purposes;
- (c) limiting the timing or phasing of the Project in any manner;
- (d) limiting the location of building sites, grading or other improvements on the Property in a manner that is inconsistent with or more restrictive than the limitations included in this Agreement; or
- (e) applying to the Project or the Property any law, regulation or rule restricting or affecting a use or activity otherwise allowed by this Agreement.

The above list of actions is not intended to be comprehensive, but is illustrative of the types of actions that would conflict with this Agreement and the Existing City Laws.

4.3 Timing. Without limiting Section 4.1 and except as provided in Section 3.4(b), no moratorium of the City or other limitation affecting building permits or other land use entitlements imposed by the City, or the rate, timing or sequencing thereof, shall apply to the Project.

4.4 Architectural Review of Project. In order for the Developer to receive approval of the particular design of new improvements under the Project, the City may apply the rules and regulations regarding architectural review in effect in the City at the time the Developer applies for design review approval for any aspect of the Project, as long as applying these rules and regulations does not conflict with Developer's rights under this Agreement, impose any further or additional fees or impose any other Conditions on the Project, except as provided in Section 3.2(c). The City shall approve the design of improvements under the Project so long as the same are reasonably consistent with the general design concept of existing improvements in the Shopping Center.

4.5 Easements; Improvements. City shall cooperate with Developer in connection with any arrangements for abandoning existing utility or other easements and facilities and the relocation thereof or creation of any new easements within the Property necessary or appropriate in connection with the development of the Project.

5. Indemnity. Developer shall indemnify, defend and hold City, and its elective and appointive boards, commissions, officers, agents, and employees, harmless from any and all claims, causes of action, damages, costs or expenses (including reasonable attorneys' fees) arising out of or in connection with, or caused on account of, the development of the Project, any Approval with respect thereto, or claims for injury or death to persons, or damage to property, as a result of the operations of Developer or its employees, agents, contractors or representatives with respect to the Project.

6. Annual Review.

(a) City shall, every twelve (12) months during the term of this Agreement, review the extent of good faith substantial compliance with the terms of this Agreement pursuant to Government Code § 65865.1. A finding by City of good faith compliance by Developer with the terms of this Agreement shall conclusively determine said issue up to and including the date of said review.

(b) If the City Council makes a finding that Developer has not complied in good faith and in a material

respect with the terms and conditions of this Agreement, the City shall provide written notice to Developer describing (i) such failure to comply with the terms and conditions of this Agreement (referred to herein as a "Default"), and (ii) the actions required by Developer to cure such Default. Developer shall have ninety (90) days after the date of such notice to cure such Default, or in the event that such Default cannot be cured within such 90-day period, Developer shall have commenced the actions necessary to cure such Default and shall be diligently proceeding to complete such actions necessary to cure such Default within 90 days from the date of notice. If Developer fails to cure or pursue the cure of a Default as set forth above, the City Council may modify or terminate this Agreement as provided below.

(c) If, upon a finding under Section 6(b) and the continuance of Developer's Default beyond the expiration of the cure period specified therein, City determines to proceed with modification or termination of this Agreement, City shall give written notice to Developer of its intention so to do. The notice shall be given at least ten (10) calendar days before the scheduled hearing and shall contain:

- (i) The time and place of the hearing;
- (ii) A statement as to whether or not City proposes to terminate or to modify the Agreement; and
- (iii) Such other information as is reasonably necessary to inform Developer of the nature of the proceeding.

(d) At the time and place set for the hearing on modification or termination, Developer shall be given an opportunity to be heard, and Developer shall be required to demonstrate good faith compliance with the terms and conditions of this Agreement. If the City Council finds, based upon substantial evidence, that Developer has not complied in good faith with material terms or conditions of this Agreement, the City Council may terminate this Agreement or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of the City. Any such termination shall not affect any City Approval with respect to the Project that has been granted prior to the date of termination.

7. Supersedure by Subsequent Laws. If any Law made or enacted after the date of this Agreement prevents or precludes compliance with one or more provisions of this Agreement, then the provisions of this Agreement shall, to the extent feasible, be modified or suspended as may be necessary to comply with such new Law. Immediately after enactment of any such new Law, the parties shall meet and confer in good faith to determine the feasibility of any such modification or suspension based on the effect such modification or suspension would have on the purposes and intent of this Agreement. Developer shall have the right to challenge the new Law preventing compliance with the terms of

this Agreement, and, in the event such challenge is successful, this Agreement shall remain unmodified and in full force and effect. The provisions of this Section 7 shall be narrowly construed in favor of Developer, in order to preserve to Developer the benefits of this Agreement to the fullest extent possible.

8. Remedies. Either Party may, in addition to any other rights or remedies, institute legal action to cure, correct or remedy any default, enforce any covenant or agreement herein, enjoin any threatened or attempted violation or enforce by specific performance the obligations and rights of the Parties hereto.

9. Waiver; Remedies Cumulative. Failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by the other Party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such Party's right to demand strict compliance by such other Party in the future. No waiver by a Party of any default shall be effective or binding upon such Party unless made in writing by such Party, and no such waiver shall be implied from any omission by a Party to take any action with respect to any such default. All of the remedies permitted or available to a Party under this Agreement, or at law or in equity, shall be cumulative and not alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right or remedy.

10. Attorneys' Fees. If either Party brings an action or proceeding (including, without limitation, any cross-complaint, counterclaim, or third-party claim) against the other Party by reason of an event of Default, or otherwise arising out of this Agreement, the prevailing Party in such action or proceeding shall be entitled to its costs and expenses of suit, including but not limited to reasonable attorneys' fees (including, without limitation, fees and expenses), which shall be payable whether or not such action is prosecuted to judgment. "Prevailing Party" within the meaning of this section shall include, without limitation, a Party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action.

11. Limitations on Actions. City and Developer hereby renounce the existence of any third-party beneficiary to this Agreement and agree that nothing contained herein shall be construed as giving any other person or entity third party beneficiary status. If any action or proceeding is instituted by any third party challenging the validity of any provisions of this Agreement, or any action or decision taken or made hereunder, the parties shall cooperate in defending such action or proceeding.

12. Effect of Court Action. If any court action or proceeding is brought by any third party to challenge this Agreement or any other permit or Approval required from City or any other governmental entity for development or construction of the Project, or any portion thereof, and without regard to whether or not Developer is a party to or a real party in interest in such action or proceeding, then Developer shall indemnify and defend City or, at City's option, pay all costs incurred by City in defending itself; however, City agrees to cooperate with Developer in defending such an action.

13. Estoppel Certificate. Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting such Party to certify in writing that (i) this Agreement is in full force and effect and a binding obligation of the Parties, (ii) this Agreement has not been amended or modified either orally or in writing, and if so amended, identifying the amendments, (iii) the requesting Party is not in default in the performance of its obligations under this Agreement, or if in default, to describe therein the nature and amount of any such defaults, and (iv) the requesting Party has been found to be in compliance with this Agreement, and the date of the last determination of such compliance. A Party receiving a request hereunder shall execute and return such certificate within thirty (30) days following the receipt thereof. The Director shall have the right to execute any certificate requested by Developer hereunder. City acknowledges that a certificate hereunder may be relied upon by transferees and Mortgagees.

14. Mortgagee Protection; Certain Rights of Cure.

14.1 Mortgagee Protection. No Default hereunder by Developer shall defeat, render invalid, diminish or impair the lien of any Mortgage, but all of the terms and conditions contained in this Agreement shall be binding upon and effective against any person (including any Mortgagee) who acquires title to the Property, or any portion thereof, by foreclosure, trustee's sale, deed-in-lieu of foreclosure or otherwise.

14.2 Mortgagee Not Obligated. Notwithstanding the provisions of Section 14.1, no Mortgagee who comes into possession of the Property, or any part thereof, pursuant to foreclosure, or deed in lieu of foreclosure, or transferee of such Mortgagee shall have any obligation or duty under this Agreement to construct or complete the construction of improvements, to guarantee such construction or completion or to be liable for any defaults or monetary obligations arising prior to acquisition of title to the Property by the Mortgagee or transferee.

14.3 Notice of Default to Mortgagee; Right of Mortgagee to Cure. If City receives notice from a Mortgagee requesting a copy of any notice of default given Developer hereunder and specifying the address for service thereof, then City shall

deliver to such Mortgagee, concurrently with service thereon to Developer, any notice of default or other determination of noncompliance given to Developer. Each Mortgagee shall have the right (but not the obligation) for a period of ninety (90) days after the receipt of such notice from City to cure or remedy, or to commence to cure or remedy, the event of default claimed or the areas of noncompliance set forth in the City's notice. If the default or such noncompliance is of a nature which can only be remedied or cured by such Mortgagee upon obtaining possession, such Mortgagee may seek to obtain possession with through a receiver or otherwise, and may thereafter remedy or cure the default or noncompliance within ninety (90) days after obtaining possession. If any such default or noncompliance cannot, with diligence, be remedied or cured within such ninety (90) day period, then such Mortgagee shall have such additional time as may be reasonably necessary to remedy or cure such default or noncompliance if such Mortgagee commences a cure during such ninety (90) day period, and thereafter diligently pursues completion of such cure to the extent possible.

15. Right to Assign, etc.. Developer's rights hereunder may be encumbered, sold or assigned in conjunction with the transfer, sale, assignment or financing of all or any portion of the Property at any time during the term of this Agreement. Upon the sale, transfer or assignment of Developer's rights and interests under this Agreement, Developer shall be released from its obligations pursuant to this Agreement with respect to the Property or portion thereof so transferred which arise subsequent to the effective date of the transfer.

16. Binding on Successors. All of the provisions, agreements, rights, powers, standards, terms, covenants, and obligations contained in this Agreement shall be binding upon the parties and their respective heirs, successors, and assignees, devisees, administrators, representatives, lessees, and all other persons acquiring the Property, or any portion thereof, or any interest therein, whether by operation of laws or in any manner whatsoever, and shall inure to the benefit of the parties and their respective heirs, successors and assignees.

17. Amendment.

17.1 General. Except as otherwise provided in this Agreement, this Agreement may be canceled, modified or amended only by mutual consent of the parties in writing, and then only in the manner provided for in Government Code Section 65868. Any amendment to this Agreement which does not relate to the term, a material element of the Project or the Conditions shall require the giving of notice pursuant to Government Code Section 65867, as specified by Section 65868 thereof, but shall not require a public hearing before the Parties may make such amendment.

17.2 Recordation. Any amendment of this Agreement shall be recorded by the City Clerk not later than ten (10) days

after the effective date of the action effecting such amendment; however, a failure to record shall not affect the validity of such amendment.

17.3 Amendment Exemptions. The following actions shall not require an amendment to this Agreement:

(a) Subdivision. The subdivision of the Property, or the filing of a parcel map or subdivision map that creates new legal lots, or any lot-line adjustment, shall not require an amendment to this Agreement. Developer may subdivide the Property in accordance with the laws regarding subdivision in effect in the City at the time the Developer applies for any subdivision, as long as applying these laws does not limit the Project or impose any additional Conditions, taxes or assessments other than those set out in this Agreement.

(b) Design Review. Design review of specific aspects of the Project shall not require an amendment to this Agreement.

18. Notices.

18.1 Procedure. Any notice to either Party shall be in writing and given by delivering the notice in person or via facsimile, by overnight courier, or by sending the notice by registered or certified mail, or Express Mail, return receipt requested, with postage prepaid, to the Party's mailing address. The respective mailing addresses of the Parties are, until changed as hereinafter provided, the following:

City:	City of Pleasanton 123 Main Street Pleasanton, CA 94566-0802 Attn: Director of Planning
Developer:	Security Trust Company, as Trustee c/o The Taubman Company, Inc. 200 East Long Lake Road Bloomfield Hills, MI. 48303 Attn: Vice President - Development
With copies to:	The Taubman Company, Inc. 200 East Long Lake Road Bloomfield Hills, MI. 48303 Attn: Vice President - Partnership Relations

Robert L. Gibney, Jr.
Heller, Ehrman, White & McAuliffe
333 Bush Street
San Francisco, California 94104-2878

Either Party may change its mailing address at any time by giving

ten (10) days notice of such change in the manner provided for in this Section 18.1. All notices under this Agreement shall be deemed given, received, made or communicated on the date personal delivery is effected or, if mailed, on the delivery date or attempted delivery date shown on the return receipt.

19. Miscellaneous.

19.1 Negation of Partnership. The parties specifically acknowledge that the Project is a private development, that neither Party is acting as the agent of the other in any respect hereunder, and that each Party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. None of the terms or provisions of this Agreement shall be deemed to create a partnership between or among the Parties in the businesses of Developer, the affairs of City, or otherwise, nor shall it cause them to be considered joint venturers or members of any joint enterprise.

19.2 Approvals. Unless otherwise provided herein, whenever approval, consent or satisfaction (herein collectively referred to as an "approval") is required of a Party pursuant to this Agreement, such approval shall not be unreasonably withheld. If a Party shall disapprove, the reasons therefor shall be stated in reasonable detail in writing.

19.3 Project Approvals Independent. All Approvals which may be granted pursuant to this Agreement, and all Approvals or other land use approvals which have been or may be issued or granted by the City with respect to the Property, constitute independent actions and approvals by the City. If any provisions of this Agreement or the application of any provision of this Agreement to a particular situation is held by a court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or effectiveness of any Approvals or other land use approvals. In such cases, such Approvals will remain in effect pursuant to their own terms, provisions and conditions.

19.4 Not A Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of the Property or any portion thereof to the general public or for any public use or purpose whatsoever. Developer shall have the right to prevent or prohibit the use of the Property or any portion thereof, including common areas and buildings and improvements located thereon, by any person for any purposes inimical to the operation thereof.

19.5 Severability. Invalidity of any of the provisions contained in this Agreement, or of the application thereof to any person, by judgment or court order, shall in no way affect any of the other provisions hereof or the application thereof to any other person or circumstance, and the same shall remain in full force and effect, unless enforcement of this

Agreement as so invalidated would be unreasonable or grossly inequitable under all the circumstances or would frustrate the purposes of this Agreement.

19.6 Exhibits. The Exhibits listed in the Table of Contents and referred to herein are deemed incorporated into this Agreement in their entirety.

19.7 Entire Agreement. This written Agreement contains all the representations and the entire agreement between the parties with respect to the subject matter hereof. Except as otherwise specified in this Agreement, any prior correspondence, memoranda, agreements, warranties or representations are superseded in total by this Agreement.

19.8 Construction of Agreement. The provisions of this Agreement shall be construed as a whole according to its common meaning and not strictly for or against any Party in order to achieve the objectives and purpose of the parties. The captions preceding the text of each Article, Section or Subsection are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement. Wherever required by the context, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine or neuter genders, or vice versa. All references to "person" shall include, without limitation, any and all corporations, partnerships or other legal entities.

19.9 Further Assurances; Covenant to Sign Documents. Each Party covenants, on behalf of itself and its successors, heirs and assigns, to take all actions and do all things, and to execute, with acknowledgement or affidavit if required, any and all documents and writings that may be necessary or proper to achieve the purposes and objectives of this Agreement.

19.10 Governing Law. This Agreement, and the rights and obligations of the parties, shall be governed by and interpreted in accordance with the laws of the State of California.

19.11 Construction. This Agreement has been reviewed and revised by legal counsel for both Developer and City, and no presumption or rule that ambiguities shall be construed against the drafting Party shall apply to the interpretation or enforcement of this Agreement.

19.12 Time. Time is of the essence of this Agreement and of each and every term and condition hereof. In particular, City agrees to act in a timely fashion in accepting, processing, checking and approving all maps, documents, plans, permit applications and any other matters requiring City's review or approval relating to the Project or Property. In the event the issuance of a building permit for any part of the Project is delayed as a result of Developer's or City's inability to obtain

any other permit or approval of the type referred to in Section 3.4(a), or as a result of a mandatory water moratorium of the type referred to in Section 3.4(b), then the term of this Agreement as provided in Section 2.2 shall be extended by the period of any such delay.

19.13 Subsequent Projects. After the Effective Date of this Agreement, City may approve other projects that place a burden on City's infrastructure; however, it is the intent and agreement of the Parties that Developer's right to build and occupy the Project, as described in this Agreement, shall not be diminished despite the increased burden of future approved development on public facilities.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first above written.

EXHIBIT BDescription of Property

That certain real property located in the City of Pleasanton, County of Alameda, California, and more particularly described as follows:

Parcel B, as shown on Parcel Map 5469, filed December 28, 1988 in Book 180 of Parcel Maps at Pages 93-94, Alameda County Records.

EXHIBIT CDescription of Project

The Project shall consist of an additional 356,000 square feet of Floor Area, and related malls and other interior common areas, in new building improvements to be constructed on the Property. Such additional Floor Area shall be allocated among one or more additional department stores, one or more specialty stores and/or additional mall stores connecting the foregoing and the existing improvements on the Property, or other improvements permitted under the zoning currently applicable to the Shopping Center.

The Project shall also include related alterations and additions to the exterior common area within the Shopping Center, including multi-level parking decks in order to provide adequate parking within the Shopping Center.

Page 2 of this Exhibit C contains a general designation of areas within which additional building and/or parking deck improvements may be constructed as part of the Project. The actual location of such improvements may be adjusted by Developer at the time specific plans for development of the Project are completed.

The Ring Road boundaries of the proposed parking structures as delineated on page 2 of Exhibit C are schematic and not drawn to scale. The actual set back distances, if any, as determined by the Developer will be subject to design review as provided in Paragraph 4.4 of the Agreement.

Developer shall not be permitted to construct such additional department or specialty stores, additional mall store buildings and connecting enclosed malls in excess of the height of the highest existing department store building, mall store building or enclosed mall, respectively, currently existing in the Shopping Center.

Developer shall provide, during the course of development of the Project, additional automobile parking at grade and within parking structures. Such additional parking shall be provided on the basis that aggregate automobile parking spaces within the Shopping Center, based upon total Floor Area from time to time in the Shopping Center, shall comply with the following ratios (unless the City shall approve a lesser ratio): (a) department stores and mall stores: 4.75 parking spaces per 1,000 square feet of Floor Area; and (b) specialty department stores: 3.5 parking spaces per 1,000 square feet of Floor Area. Developer shall be permitted to construct parking decks, which shall not exceed three (3) structural levels above grade.

EXHIBIT DTRAFFIC MITIGATION IMPROVEMENTSA. Foothill Road/Canyon Way/Dublin Canyon Road

1. Widen Canyon Way between Stoneridge Mall Road and Foothill Road to provide one additional westbound lane. This will provide a total of three westbound lanes. Widen both the north and south sides of Canyon Way and reconstruct the existing median narrowing it by four feet to a width of twelve feet. The south curb will be moved six feet. The purpose is to improve existing traffic flow and mitigate the impact of new development by extending a very short existing right-turn lane for westbound traffic destined for the Foothill Road interchange.
2. Add a fourth northbound lane on Foothill Road between Deodar Way and the northbound to eastbound ramp at the Foothill Road interchange with I-580. This will provide two northbound lanes on Foothill Road to the ramp toward eastbound I-580. The two lanes would transition to one lane prior to the collector-distributor road. The other two lanes would serve the existing two lanes toward the over-crossing at I-580. Foothill Road between Deodar Way and Canyon Way can be restriped between the existing curbs. Foothill Road between Canyon Way and the northbound to eastbound ramp will require widening Foothill Road and moving the existing sidewalk back within the existing right-of-way. An additional lane will be constructed next to the existing one-lane northbound to eastbound ramp which will require Caltrans approval. The purpose of this improvement is to provide additional capacity for the northbound through movement and to more evenly distribute traffic across the lanes, thereby reducing the amount of green time needed for the northbound movement.

EXHIBIT D

3. Lengthen the eastbound Dublin Canyon Road left-turn lane next to the median by narrowing the existing 18-foot wide median. No additional right-of-way is required. The purpose of this improvement is to more fully utilize all left-turn lanes by reducing the possibility of one lane being blocked. Green time at the traffic signal will be reduced for this movement by creating a more even distribution of traffic across the left-turn lanes.

B. Stoneridge Drive/Stoneridge Mall Road

1. Restripe one of the through lanes on westbound Stoneridge Drive to create an optional through and right-turn lane. The curb return on the northeast corner should be modified to facilitate this maneuver. This will require right-of-way acquisition. The purpose of this improvement is to shorten the queue for westbound traffic turning right into the Stoneridge Mall area and thereby reduce the amount of green time required. The westbound right turn is a critical movement during the a.m. and p.m. peak hours. It is expected that right turning vehicles will dominate this lane. The need for one additional westbound lane was evaluated and determined to be unnecessary based on no change in the volume-to-capacity ratio.
2. Restripe the southbound Stoneridge Mall Road right-turn lane to provide an optional right-turn and left-turn lane at this "T" intersection. This will spread the critical southbound left-turn movement over three lanes instead of two lanes, thereby reducing the amount of green time necessary to clear the queue. In addition, there is a need to retrofit the signal controller to include an emergency vehicle preemption capability since a City of Pleasanton Fire Station is located nearby.

FIFTH AMENDMENT TO DEVELOPMENT AGREEMENT

THIS FIFTH AMENDMENT TO DEVELOPMENT AGREEMENT (the "Fifth Amendment") is made and entered into by and between the CITY OF PLEASANTON, a municipal corporation of the State of California ("City"), and STONERIDGE PROPERTIES LLC, a Delaware limited liability company, doing business in California as STONERIDGE ASSOCIATES, LLC, as successor in interest to SECURITY TRUST COMPANY, as TRUSTEE under Trust No. 1860-0 ("Developer"), pursuant to the authority of California Government Code Sections 65864-65869.5.

RECITALS

A. The City and Developer are parties to a Development Agreement (the "Agreement") dated as of November 5, 1992, as approved by the City Council under Ordinance No. 1578. The Agreement was recorded on April 2, 1993, as Instrument No. 93103418 in the Official Records of Alameda County. (Capitalized terms not otherwise defined in this Amendment shall have the meanings given to them in the Agreement; all references to the Agreement shall refer to the same as modified by the First, Second, Third and Fourth Amendments.)

B. The parties entered into the First Amendment to Development Agreement (the "First Amendment"), dated as of January 6, 1998, as approved by the City Council by its Ordinance No. 1732. The First Amendment to the Development Agreement was recorded on February 5, 1998, as Instrument No. 98048535 in the Official Records of Alameda County.

C. The parties entered into the Second Amendment to Development Agreement (the "Second Amendment"), dated as of June 18, 2013, as approved by the City Council by its Ordinance No. 2073. The Second Amendment to the Development Agreement was recorded on September 5, 2013, as Instrument No. 2013299219 in the Official Records of Alameda County.

D. The parties entered into the Third Amendment to Development Agreement (the "Third Amendment"), dated as of August 21, 2018, as approved by the City Council by its Ordinance No. 2173. The Third Amendment to the Development Agreement was recorded on September 19, 2018, as Instrument No. 2018182964 in the Official Records of Alameda County.

E. The parties entered into the Fourth Amendment to the Development Agreement (the "Fourth Amendment"), dated as of September 6, 2022, as approved by the City Council by its Ordinance 2230. The Fourth Amendment was recorded on September 12, 2022, as Instrument No. 2022156727 in the Official Records of Alameda County.

F. The City and Developer desire to extend the term of the Agreement. In order to strengthen the planning process, encourage private participation in comprehensive planning, secure the orderly development of the shopping center expansion and provide greater opportunities for traffic management and cohesive, attractive site design and improvements and related economic benefits to the City, and to facilitate the future development of a comprehensive master plan for the shopping

center, the City has determined that this Fifth Amendment is an appropriate supplement to the Agreement.

G. The Agreement originally permitted an expansion of 380,000 square feet, which was reduced to 362,790 square feet due to construction of P. F. Chang's and the Cheesecake Factory. The permitted remaining expansion was covered by the mitigated negative declaration adopted in connection with the original Development Agreement, as well as considered as part of the EIR for the Pleasanton 2005-2025 General Plan certified in July 2009, and the SEIR for the Housing Element Update and Climate Action Plan General Plan Amendments certified in January 2012, and addressed in the Addendum for the Stoneridge Mall Commercial Replacement and Expansion Project dated April 16, 2019. In addition, the cumulative impacts of the development permitted under the Agreement and this Fifth Amendment, plus all development proposed under the City of Pleasanton's 2023-2031 Housing Element, was studied in the Program Environmental Impact Report (SCH 2022040091) for that Housing Element certified by the City Council on January 26, 2023, by Resolution No. 23-1357. This Fifth Amendment merely extends the term of the previously approved Agreement by six months and is consistent with the General Plan, and there are no impacts peculiar to the parcel or unstudied impacts relevant to this Fifth Amendment.

H. On November 8, 2023, after conducting a duly noticed public hearing, the City Planning Commission recommended the City Council approve this Fifth Amendment, based on the following findings and determinations: this Fifth Amendment is consistent with the objectives, policies, general land uses and programs specified in the City's General Plan; is compatible with the uses authorized in and the regulations prescribed for the land use district (C- R (Regional Commercial)) in which the Property is located; is in conformity with public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and general welfare of the City or the region surrounding the City; will not adversely affect the orderly development of property or the preservation of property values within the City; and will promote and encourage the development of the Project by providing a greater degree of certainty with respect thereto.

I. Thereafter, on December 5, 2023, the City Council held a duly noticed public hearing on this Fifth Amendment and made the same findings and determinations as the Planning Commission. On that same date, the City Council introduced the Ordinance. On December 19, 2023, the City Council approved this Fifth Amendment by adopting Ordinance No. 2249.

NOW, THEREFORE, pursuant to the authority contained in California Government Code Sections 65864-65869.5, and in consideration of the mutual covenants and promises of the parties herein contained, the parties agree to amend the Agreement as follows:

1. Section 2.2 is hereby amended and restated as follows:

2.2 Term. The term of this Agreement and Developer's rights and obligations hereunder shall terminate on July 1, 2024.
2. Sections 3.2(a) through 3.2(i) are hereby deleted and replaced with the following:

3.2. (a) Developer shall pay development impact fees, connection charges, building permit fees and processing fees in effect at the time Developer submits the applicable Project application for processing.

3.2 (b) - 3.2 (i) (not used).
3. Exhibits D through G are hereby deleted.
4. Section 3.5 is hereby deleted and replaced with the following:

3.5 (not used).

5. Section 4.4 is hereby amended and restated as follows:

4.4 Architectural Review of Project. The City may apply the rules and regulations regarding architectural review, and objective design standards for any residential development incorporated into the Project, in effect in the City at the time the Developer applies for design review approval for any aspect of the Project, as long as applying these rules and regulations does not conflict with Developer's rights under this Agreement to expand the Shopping Center by the number of square feet specified in this Agreement.

6. Section 15 is hereby amended and restated as follows:

15. Right to Assign, etc. Developer's rights hereunder may be encumbered, sold or assigned in conjunction with the transfer, sale, assignment or financing of all or any portion of the Property at any time during the terms of this Agreement. If the proposed buyer or assignee is not an affiliate of Developer, then Developer may still assign its interest in the Property so long as Developer receives the City's prior written consent. Upon the sale, transfer or assignment of Developer's rights and interests under this Agreement, memorialized in an assignment and assumption agreement, Developer shall be released from its obligations pursuant to this Agreement with respect to the Property or portion thereof so transferred which arise subsequent to the effective date of the transfer.

7. Except as expressly modified by this Fifth Amendment, the City and Developer hereby ratify and confirm the terms and conditions of the Agreement which are fully incorporated herein by reference and shall continue in full force and effect.
8. This Fifth Amendment shall be effective as of the date the Agreement otherwise would have terminated and shall remain in effect until terminated on July 1, 2024. This Fifth Amendment may be executed in multiple counterparts, all of which taken together shall constitute one and the same instrument. This Fifth Amendment shall be duly recorded in the Official Records of Alameda County.

IN WITNESS WHEREOF, the parties have executed this Fifth Amendment on the date affixed by their signature.
